

THRONGS OF PEOPLE DAILY

AT THE

CLOSING OUT SALE

Of the Prall Mercantile Company's stock of Dry Goods, Furnishings and Shoes by Lewis Bros. & Co. of Spokane

We were more than surprised with the results of the first few opening days of our sale. Crowds such as never visited one store in St. Johns before are flocking to the

Big Money Saving Sale

The people of St. Johns know that the Prall Mercantile Company was in business but a few months and that their stock cannot be anything but new and fresh, and that this was St. Johns' leading store for high grade goods. They also know that when a store of this character and a stock of this kind is sold at the low price of 48 cents on the dollar and must be closed out in 13 days' time that it means large savings to them on necessities of the home. Come and be benefited before assortments are broken. Fortune is knocking at your door. The bargains you want most are the ones most wanted by all. Don't delay. People from a distance are attending this Great Money Saving Event, as the saving on a single small purchase more than pays the car fare. Be on hand early and get the cream of the bargains.
