WHITWOOD COURT

Richard Shepard, Sr., is contemplating the erection of a modern res idence here in the very near future.

Knight & Glover are making arrangements to erect a building near the ferry slip which they will use for saloon purposes.

Richard Shepard has begun the erection of a handsome five room residence, which will be a welcome addition to Whitwood.

A free ferry between Whitwood and St. Johns would help some. Better service and more of it would help both sides of the river. The cool, refreshing water sup-

ply of Whitwood is worth coming

many miles to sample. No ice is needed to keep our water cool. Ed L. Stockton, the Telegram booster and pioneer home builder at Whitwood, has been making a nice

thing out of selling lots here as a

side issue. Our young ladies have not as yet

The West Side Gravel company has a large bed of the finest gravel in the country, and they are now prepared to furnish this product in almost any quantity. Their pit is located on the heights.

The steamer Columbia has signi fied a willingness to make daily stops at this point provided a suitable float is erected for convenience in embarking and disembarking. This will be quite a boon for ou people when they desire to take a trip to Portland by water.

The harbor line fronting the land of the Columbia Steel plant was established this week preparatory to erecting large docks for this company. We understand work will said welcome to all. begin at once on the immense structure they contemplate erecting adjacent to Whitwood. This will mean much for our village.

The progress being made on the new trolley line is very gratifying to our inhabitants. For many moons the trials of this company in securing franchises and rights of way have been followed with anxious eyes. And now that all diffiwork is under way we certainly have a right to enthuse. The advent of this line is of inestimable value to this side of the river. The chief engineer volunteers the information that when the trolley is completed the trip to Third street, of church or lodge entertainments, Portland, can readily be made in suppers, sociables, etc., where there twelve minutes. The line to Linn-

Speaking of scenery, can anything be more beautiful, sublime and inspiring than the view from Whitwood Court on a cloudless day? The pearly white summits of old Hood and Helens where the sun glistens on their snowy forms, the majestic Columbia river stretching out like some monster snake as it Last Friday night contracts were and can take a few more scholars glides by Vancouver, the numerous sloughs, lakes, islands and peninsulas, the packing house sites, the Weyerhaeuser tract, the immense bridges crossing the two rivers, the cities of St. Johns, Vancouver, East Portland and smaller towns in the distance, and then the beautiful Willamette at our very feet with its cargo of steam and sailing vessels aunches and row boats completes a picture that is not readily forgotten.

NOTICE TO ADVERTISERS.

NORTH BEACH

Near the mouth of the Columbia River, on the Washington Side, reached from the City of Portland on the splendid excursion.

STEAMER T. J. POTTER

in about six hours. It is upward of twenty miles long, very broad and level and almost as compact as a composition pavement. It is dotted its entire length with towns, cottage settlements, tent cities, villas, fine hotels and all the amusement accessories of a popular summer beach resort. It's the place to go for rest, health and a good time. Thousands go there for their summer outing. TRY IT.

The Potter will sail every day except Sundays During the Summer Season.
