Good Cough Medicine for Children.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Cham-berhain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are will-ing to use any other. Mrs. F. F. Starcher, of Ripley, W. Va., says: proximate thereto.
