If you have had real trouble you should get up, do something for somebody and something, if only a Let Miss Doleful pat herself on the limb—whether he rang the bell cat; busy yourself and your mind. back as having had the worst sick. or not. It was hard on the dogs, ness that ever woman had; let her think she is the most abused woman, but remember she will never take another step upward or on Linnton. At first the citizens ward, and her friends will be so tired of her that she will sit alone with self for the remainder of her supply had been cut off, but toward

have had the worst trials have eyelash when the "swan screech" of grown braver and stronger. That a dog, cat, cow or chicken drowned is why they are sent us. They are out the car's wheels thunder and lessons. Do not imagine any of us the bell's clanging.

## No Fear For Teddy

Timid citizens who have feared that Mr. Roosevelt was in danger from the attacks of the "beastles" which he has been hunting, can rest easier. Dr. Seaman, who was one of the party that welcomed Roose- Remedy and find it to be the best velt at Mombasa, in a New York in on the market," says E. W. Tardy, terview, says that "For the most editor of The Sentinel, Gainsboro, part, African hunting is about as Tenn. "Our baby had several colds thrilling as hunting in an English the past winter and Chamberlain's park. A lion stands no chance at Cough Remedy always gave it relief all. Before the hunters get a shot a once and cured it in a short time at him, he has been chased by I always recommend it when opporbeaters until he is so winded that tunity presents itself." For sale by there is little harm in him." Another all good druggists. African hunter, in noting in the news dispatches that Roosevelt has become tired of shooting monkeys, ventures the opinion that shooting A Naturalist Compares These Animonkeys is "a pastime which closely resembles shooting grandmothers." With this expert testimony on the that foxes have scales as well as hair class of sport that is netting \$2 per upon their skins. From this he argues word, there is not much occasion that they have descended from ancesto fear that the mighty hunter will not return sound in wind and lillos and the ant eaters.

Every one who has examined a rat limb.-Oregonian,

# Will Settle the Question

is having an abstract made of Will-amette boulevard at his, own ex-of growth is often found in animals which have no scales it is believed be pre sented to council at their regular meeting next Tuesday night. The question as to the lines of this his skin be examined closely it will be thoroughfare has become almost as found that the hairs are arranged in vexatious as was "How old is Ann?" groups of three bunches, each bunch and Mr. Stearns deserves much containing fourteen or fifteen hairs, credit for his commendable act in and that the skin has the appearance · having the mooted question settled.
