Baptist Convention

The Northern Baptist Convention meets in Portland for a session of one week, beginning Friday, June 25. A large number of delegates are expected from all the Northern states. The estimated attendance will be fifteen hundred. The meeting place is the White Temple, corner of 12th & Taylor streets.

The main floor of the auditorium will be reserved for delegates during the day sessions, but there will be room in the galleries and the Sunday school room for those who wish to attend as visitors. The evening sessions will be of a popular nature, and those who cannot find room in the White Temple can attend the overflow meeting which will be held in the Grace Methodist Church, and possibly also in the First Presbyterian Church,

All of the meetings will be open for 'he general public, and doubtless there will be large congregations from Portland and vicinity. The speakers will include many of the most noted platform speakers of the denomination both of the East and the West.

Chamberlain's Cough Remedy the Best on the Market,

"I have used Chamberlain's Cough Remedy and find it to be the best on the market," says E. W. Tardy, editor of The Sentinel, Gainsboro, Tenn. "Our baby had several colds the past winter and Chamberlain's Cough Remedy always gave it relief as once and cured it in a short time. I always recommend it when opportunity presents itself." For sale by all good druggists.

Pointers for our Patrons.

We do not allow any printer to put out nicer work than we do and we put the best stock into our jobs

The difference between poor stock and first class stock on a job is a small item when you consider the value of the job. It is the price of a satisfied customer. It is better to make 50 cents less on a job and have a customer who will come back, than to use the flimsy stock, make the extra 50 cents and lose your customer. That is the way we figure it.

MANUFACTURERS BUILDING.

On the eastern side of Geyser Basin, at the Alaska-Yukon-Pacific Exposition, the handsome Manufacturers Building looks across the restless waters of the Cascades and the flashing foam of "Old Faithful," the reproduction of its namesake in Yellowstone National Park.

Its location is the most central of any of the exposition buildings, and its architectural design is especially fitting for the position it has been given. It was one of the first great exhibition palaces to be completed, and before the end of last year was ready for the reception of its vast collection of exhibits. It will house a magnificent assortment of the highest examples of man's ingenuity and invention, and within its walls will be gathered specimens of manufactured articles from the workshops of every nation of importance in the world.

It overlooks the finest of the formal gardens of the exposition, and its splendid line of pergolas, with their vine-covered columns and blossoming flowers, complete a restful and pleasing view. At no part of the grounds can be seen a more beautiful illuminating effect than is presented from the open pergolas during the late evening and early night. A million sparkling electric bulbs flash their white lights through the waters and, scattered throughout the greenery, hundreds of electrollers mingle their many hues with the riot of colors. Looking down the gentle slope of Rainier Avenue the floating craft of two lakes is brought into vision and adds the delights of a broad, light-sprinkled stretch of forest-enclosed waters to the whole effect.

ORIENTAL PALACE AND MANUFACTURERS BUILDING.

The Palace of Oriental Exhibits and Manufacturers Building have a frontage on Cascade Court and Geyser Basin and look across at Foreign Exhibits and Agricultural Palaces; Yukon Avenue separates these magnificent display buildings, and in the back ground the state buildings of Oregon and California are located,

Construction work on these buildings was completed last year and exhibits are being received and placed in position. The Oriental Palace been sent from the Orient, and will present displays from Japan, China, India, Ceylon, Straits Settlements, French Indo China, Borneo, Java and all the eastern countries of Asia.

The Manufacturers building encloses a vast amount of exhibit space and every foot of this has been engaged for display purposes by domestic and foreign manufacturers. The interest manifested in this department of the Alaska-Yukon-Pacific Exposition is world-wide and competitive displays will be general and comprehensive. Exhibits are being daily received and the heavy work of installation is rapidly being accomplished.
