Cook and Peary will be kept busy for some time to come in trying to prove to the public that each reached the North Pole. It is too bad both were not together when the great discovery was made. Still the daily papers would have been robbed of a large bunch of "thunder" had this been the case.

Have you ordered a couple of tons of Potlatch coal yet. It is a good time to get even on the wood question when this coal can be secured for \$6.50 per ton in two ton lots. If the testimonials of many well known citizens go for anything, it is certainly all right and very cheap.

Geo. L. Perrine, the double distilled, undaunted, revolutionary, irrefragable, unquenchable, never down and out disciple of Socialism, will hold forth on the street corner next Tuesday night and deliver an address to the assembled multitude on "The Promised Land" or "The Land of Promise"—he doesn't care which. Mr. and Mrs. A. J. Teeling.

A REAL BARGAIN.

If you are looking for an investment that is a sure winner, buy half of block 16 at Whitwood Court. The tract is 100x600, lays fine and lots across from it are now selling at \$350 for 50x100. If cut into lots \$3000 could easily be realized, and then the lots would be cheaper than any can be brought for in that neighborhood. In five years \$10,000 would not be an exorbitant price. If taken on at once \$1800 buys it, \$500 cash, \$500 in six months and the balance at \$10 per month. B. H. Blanding, real estate office, Whitwood Court.

No better meats were ever sold anywhere than can always be found at T. P. Ward's market. "Quality wins" is his motto and he lives right up to it. The prices are as low as good meat can be sold for and allow a living profit. If you want good meat go to Ward's, if not go somewhere else. Special prices on Saturday.
