the sum of $39.55.

We find and determine that W. E. Niles, as owner of lots 18, 19 and 20 block B, Gen. Compson's Addition to St. Johns, 632 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $45.50.

We find and determine that W. E. Niles, as owner of all that part of lots 18, 19 and 20, block B, Gen. Compson's Addition, lying north of the north line of proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $78.68.

And we find that the excess of benefits over damages which the said W. E. Niles will derive by reason of the opening, laying out and establishing of said street, will be in the sum of $33.18.

We find and determine that Smith, Wagoner Company, as owners of lots 16 and 17, block B, Gen. Compson's Addition, 632 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $45.50.

We find and determine that Smith, Wagoner Company, as owners of all that part of lots 16 and 17, Block B, Gen. Compson's Addition, lying north of the north line of proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $59.18.

And we find that the excess of benefits over damages which the said Smith, Wagoner Company will derive by reason of the opening, laying out and establishing of said street will be in the sum of $13.68.

We find and determine that Ross Higgins, as owner of lots 18 and 19, subdivision of block 6, Oak Park, 632.5 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $52.00.

We find and determine that Ross Higgins, as owner of all of that part of lots 18 and 19, subdivision of block 6, Oak Park, lying north of the north line of the proposed opening, laying out and establishing of Fessenden Street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $59.62.

And we find that the excess of benefits over damages which the said Ross Higgins will derive by reason of the opening, laying out and establishing of said street, will be in the sum of $7.62.

We find and determine that M. F. Shorey, as owner of lots 15, 16 and 17, subdivision of block 6, Oak Park Addition, 632.5 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $45.50.

We find and determine that M. F. Shorey, as owner of all that part of lots 15, 16 and 17, subdivision of block 6, Oak Park, lying north of the north line of proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $78.43.

And we find that the excess of benefits over damages which the said M. F. Shorey will derive over damages which the said M. F. Shorey will derive by reason of the opening, laying out and establishing of said street will be in the sum of $32.93.

We find and determine that Frank Merrill, as owner of lots 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15 and 16, Ora May's Addition, 1391 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $327.30.

We find and determine that Frank Merrill, as owner of all that part of lots 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15 and 16, Ora May's Addition, lying south of the south line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $211.32.

And we find that the excess of damages over benefits which the said Frank Merrill will sustain by reason of the opening, laying out and establishing of said street, will be in the sum of $15.98.

We find and determine that Louise Damann, as owner of lot 4, block 10, Oak Park No. 2, 184 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $14.80.

We find and determine that Louise Damann, as owner of all that part of lot 4, block 10, Oak Park No. 2, lying north of the north line of proposed opening, laying out and establishing of said street will be specially benefited and said land be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $30.20.

And we find that the excess of benefits over damages which the said Louise Damann will derive by reason of the opening, laying out and establishing of said street, will be in the sum of $15.40.

We find and determine that Lucy M. Brainwatter, as owner of lot 5, block 10, Oak Park No. 2, 656.75 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $42.40.

We find and determine that Lucy M. Brainwatter, as owner of all of that part of lot 5, block 10, Oak Park No. 2, lying north of the north line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $56.70.

We find and determine that Lucy M. Brainwatter, as owner of a certain building situated on that part of the land above described, lying within the boundaries of the proposed opening, laying out and establishing of Fessenden Street, will be damaged by reason of the necessity of removing part of said building, and we estimate and assess said damages in the sum of $40.00.

And we find that the excess of damages over benefits which the said Lucy M. Brainwatter will sustain by reason of the opening, laying out and establishing of said street, will be in the sum of $25.70.

We find and determine that Andrew Fredrickson, as owner of lot 6, block 11, Oak Park Addition No. 2, 6.25 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street and we estimate and assess said damages in the sum of $1.50.

We find and determine that Andrew Fredrickson, as owner of all that part of lot 6, block 11, Oak Park Addition No. 2, lying north of the north line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $7.40.

And we find that the excess of benefits over damages that Andrew Fredrickson will derive by reason of the opening, laying out and establishing of said street, will be in the sum of $5.90.

We find and determine that Oak Park Land Company, as owner of lot 7, block 11, Oak Park No. 2, 250 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $17.50.

We find and determine that the Oak Park Land Company, as owner of all that part of lot 7, block 11, Oak Park No. 2, lying north of the north line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $30.80.

And we find that the excess of benefits over damages which the said Oak Park Land Company will derive by reason of the opening, laying out and establishing of said street will be in the sum of $13.30.

We find and determine that James Hiatt, as owner of lots 8 and 9, block 11, Oak Park No. 2, 500 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $35.00.

We find and determine that James Hiatt, as owner of a certain building situated on that part of the land above described, lying within the boundaries of the proposed opening, laying out and establishing of Fessenden Street, will be damaged by reason of the necessity of removing part of said building, and we estimate and assess said damages in the sum of $50.00.

We find and determine that James Hiatt, as owner of all that part of land lying north of the north line of the proposed opening, laying out and establishing of Fessenden Street, will be specially benefited and said land be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $61.60.

And we find that the excess of damages over benefits which the said James Hiatt will sustain by reason of the opening, laying out and establishing of said street, will be in the sum of $23.40.

We find and determine that Jefferson Cuningham, as owner of lots 1, 2, 3 and 4, block 1, Point View, 1000 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $60.00.

We find and determine that Jefferson Cuningham, as owner of a certain building situated on that part of the land above described, lying within the boundaries of the proposed opening, laying out and establishing of Fessenden Street, will be damaged by reason of the necessity of removing part of said building, and we estimate and assess said damages in the sum of $25.00.

We find and determine that Jefferson Cuningham, as owner of all that part of lots 1, 2, 4 and 3 of block 1, Point View, lying south of the south line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $43.30.

And we find that the excess of damages over benefits which the said Jefferson Cuningham will sustain by reason of the opening, laying out and establishing of said street, will be in the sum of $41.70.

We find and determine that Michael Peker, as owner of lots 33, 34, 35 and 36, block 1, Point View, 1000 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $50.00.

We find and determine that Michael Peker, as owner of all that part of lots 33, 34, 35 and 36, block 1, Point View, lying south of the south line of the proposed opening, laying out and establishing of Fessenden Street, and we estimate and assess such benefits and advantages in the sum of $42.30.

And we find that the excess of damages over benefits said Michael Peker will sustain by reason of the opening, laying out and establishing of said street, will be in the sum of $7.70.

We find and determine that Ida Berkey, as owner of lots 1 and 2, block 8, Point View, 1000 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $50.00.

We find and determine that Ida Berkey, as owner of all that part of lots 1 and 2, block 8, Point View, lying south of the south line of the proposed opening, laying out and establishing of Fessenden Street, will be benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess said benefits and advantages in the sum of $23.00.

And we find that the excess damages over benefits which the said Ida Berkey will sustain by reason of the opening, laying out and establishing of said street, will be in the sum of $27.00.

We find and determine that Anton Kluser, as owner of lots 33, 34, 35 and 36, block 8, Point View, 1000 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $60.00.

We find and determine that Anton Kluser, as owner of all that part of lots 33, 34, 35 and 36, block 8, Point View, lying south of the south line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess said benefits and advantages in the sum of $42.30.

And we find that the excess of damages over benefits that the said Anton Kluser will sustain by reason of the opening, laying out and establishing of said street, will be in the sum of $17.70.

We find and determine that Leonard Kearney, as owner of lots 1, 2, 3 and 4, and lots 33, 34, 35 and 36, block 9, Point View, 2000 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $110.00.

We find and determine that Leonard Kearney, as owner of all that part of lots 1, 2, 3 and 4, and lots 33, 34, 35 and 36, block 9, Point View, lying south of the south line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess said benefits and advantages in the sum of $88.60.

And we find that the excess of damages over benefits which the said Leonard Kearney will sustain by reason of the opening, laying out and establishing of said street, will be in the sum of $21.40.

We find and determine that C. B. Farley, as owner of lots 1, 2, 3, 4, 33, 34, 35 and 36, block 16, Point View, 2000 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $110.00.

We find and determine that C. B. Farley, as owner of all that part of lots 1, 2, 3, 4, 33, 34, 35 and 36, block 16, Point View, lying south of the south line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess said benefits and advantages in the sum of $88.60.

And we find that the excess of damages over benefits which the said C. B. Farley will sustain by reason of the opening, laying out and establishing of said street will be in the sum of $21.40.

We find and determine that F. I. and A. J. Weber, as owners of lots 10 and 11, block 12, Oak Park No. 2, 500 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, and be damaged and said land will be less valuable by the opening, laying out and establishing of said street, and we estimate and assess the damages in the sum of $23.75.

We find and determine that F. I. and A. J. Weber, as owners of all that part of lots 10 and 11, block 12, Oak Park No. 2, lying north of the north line of the proposed opening, laying out and establishing of said street will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess said benefits and damages in the sum of $41.80.

And we find that the excess of benefits over damages that the said F. I. and A. J. Weber will derive by reason of the opening, laying out and establishing of said street will be in the sum of $18.05.

We find and determine that J. T. Borden, as owner of lot 12, block 12, Oak Park Addition No. 2, 250 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $30.00.

We find and determine that Charles L. Holmes, as owner of a certain building situated on that part of the land above described, lying within the boundaries of the proposed opening, laying out and establishing of Fessenden Street, will be damaged by reason of the necessity of removal of said building, and we estimate and assess said damages in the sum of $60.00.

We find and determine that Charles L. Holmes, as owner of all that part of lot 1, block 2, Barton's Addition, lying north of the north line of said proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess said benefits and advantages in the sum of $27.00.

And we find that the excess of damages over benefits which the said Charles L. Holmes will derive by reason of the opening, laying out and establishing of said street, will be in the sum of $63.00.

We find and determine that C. J. Dannals, as owner of lot 18, block 2, Barton's Addition, 500 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $25.00.

We find and determine that C. J. Dannals, as owner of all that part of lot 18, block 2, Barton's Addition, lying north of the north line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by the opening, laying out and establishing of said street, and we estimate and assess said benefits and advantages in the sum of $25.80.

And we find that the excess of benefits over damages which the said C. J. Dannals will derive by reason of the opening, laying out and establishing of said street, will be in the sum of $0.80.

We find and determine that Frank T. Berry, as owner of lots 1 and 2, block 1, Barton's Addition, 500 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $25.00.

We find and determine that Frank T. Berry, as owner of all that part of lots 1, 2 and 3, block 1, Barton's Addition, lying north of the north line of the proposed opening, laying out and establishing of Fessenden Street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess said benefits and advantages in the sum of $42.00.

And we find that the excess of benefits over damages which the said Frank T. Berry will derive by reason of the opening, laying out and establishing of said street, will be in the sum of $17.00.

We find and determine that J. R. Wyatt, Jr., as owner of 'ots 17 and 18, block 1, Barton's Addition, 500 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $25.00.

We find and determine that J. R. Wyatt, Jr., as owner of all that part of lots 17 and 18, block 1, Barton's Addition, lying north of the north line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess said benefits and advantages in the sum of $42.00.

And we find that the excess of benefits over damages which the said R. J. Wyatt will derive by reason of the opening, laying out and establishing of said street will be in the sum of $17.00.

We find and determine that Adolph Southmayd, as owner of lots 1 and 2, block 2, Marengo Addition, 250 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $13.75.

We find and determine that Adolph Southmayd, as owner of all that part of lots 1 and 2, block 2, Marengo Addition, lying north of the north line of the proposed opening, laying out and establishing of said street, will be specially benefited and the land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $24 20.

And we find that the excess of benefits which said Adolph Southmayd will derive by reason of the opening, laying out and establishing of said street will be in the sum of $10.45.

We find and determine that B. D. Holbrook, as owner of lots 18, 19, 21 and 22, block 2, Marengo Addition, 158.75 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street; and we estimate and assess said damages in the sum of $32.90.

We find and determine that B. D. Holbrook, as owner of all that part of lots 18, 19, 20, 21, 22, block 2, Marengo Addition, lying north of theno rth line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $56.61.

And we find that the excess of benefits over damages which the said B. D. Holbrook will derive by reason of the opening, laying out and establishing of said street will be in the sum of $23.71.

We find and determine that J. B. Holbrook, as owner of lot 12, block 2, Marengo, 151.25 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $9.15.

We find and determine that J. B. Holbrook, as owner of all that part of lot 17, block 2, Marengo, lying north of the north line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $14.78.

And we find that the excess of benefits over damages which the said J. B. Holbrook will derive by reason of the opening, laying out and establishing of said street will be in the sum of $5.63.

We find and determine that B. D. Holbrook, as owner of lots 1, 2, 22, 21, 20, 19, 18 and 17, block 1, Marengo Addition, 1620 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, and will be damaged and the land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $85.57.

We find and determine that B. D. Holbrook, as owner of all that part of lots 1, 2, 22, 21, 20, 19, 18 and 17, block 1, Marengo Addition, lying north of the north line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $124.50.

And we find that the excess of benefits over damages which the said B. D. Holbrook will derive by reason of the opening, laying out and establishing of said street will be in the sum of $38.93.

We find and determine that Matilda Edwards, as owner of lots 1, 2, 3 and 4, block 17, Point View, 1000 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $60.00.

We find and determine that Matilda Edwards, as owner of all that part of lots 1, 2, 3 and 4, block 17, Point View, lying south of the south line of the proposed opening, laying out and establishing of said street will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $47.80.

And we find that the excess of damages over benefits which the said Matilda Edwards will sustain by reason of the opening, laying out and establishing of said street will be in the sum of $12.26.

We find and determine that Frank J. Fischer, as owner of lots 33, 34, 35 and 36, block 17, Point View, 1000 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $50.00.

We find and determine that Frank J. Fischer, as owner of all that part of lots 33, 34, 35 and 36, block 17, Point View, lying south of the south line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $40.80.

And we find that the excess of damages that the said Frank J. Fischer will sustain by reason of the opening, laying out and establishing of said street will be in the sum of $9.20.

We find and determine that N. D. Simon, as owner of lots 1, 2, 3, 4, 33, 34, 35 and 36, block 24, Point View, 2000 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $100.00.

We find and determine that N. D. Simon, as the owner of a certain building situated on that part of the land above described, lying within the boundaries of the proposed opening, laying out and establishing of said street, will be damaged by reason of the necessity of removing part of said building, and we estimate and assess said damages in the sum of $20.00.

We find and determine that N. D. Simon, as owner of all that part of lots 1, 2, 3, 4, 33, 34, 35 and 36, block 24, Point View, lying south of the south line of the proposed opening, laying out and establishing of said street will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $47.30.

We find and determine that the excess of damages over benefits which the said N. D. Simon will sustain by reason of the opening, laying out and establishing of said street will be in the sum of $40.00.

We find and determine that Peter McYancy, as owner of lots 1 and 2, block 25, Point View, 1000 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $22.00.

We find and determine that Martha E. Beck, as owner of lots 35 and 36, block 25, Point View, 1000 square feet of which will be appropriated to public use by the opening, laying out and establishing of Fessenden Street, will be damaged and said land will be rendered less valuable by the opening, laying out and establishing of said street, and we estimate and assess said damages in the sum of $50.00.

We find and determine that Martha E. Beck, as owner of all that part of lots 35 and 36, block 25, Point View, lying south of the south line of the proposed opening, laying out and establishing of said street, will be specially benefited and said land will be rendered more valuable by reason of the opening, laying out and establishing of said street, and we estimate and assess such benefits and advantages in the sum of $19.00.

And we find that the excess damages over benefits which the said Martha E. Beck will derive by reason of the opening, laying out and establishing of said street will be in the sum of $31.00.
