# MONEY SAVERS

## AS WELL AS TROUBLE SAVERS

You don't buy furniture, carpets, linoleums, mattresses, etc., with the frequency you do groceries. So if you buy the Wrong Kind, you buy trouble. The ESSENTIAL thing about buying is to KNOW that it is GOOD. That brings you HERE. The least skillful buyer can come here and be sure what he buys is GOOD. Because WE MAKE IT GOOD. We won't handle anything that isn't good.

Two cars of Empire Dressers, from Jamestown, N. Y. It will pay you to see them.

We buy our Dining and Library Tables direct from the factory. They are made of Michigan's Famous White Oak. Our prices are low, for we buy right.

Just in, a car load of Faultless Malleable Ranges. The best there is.

Miss Hilda Unger has entered the contest for goddess of liberty for the Fourth. If there is any other young lady in St. Johns who can secure more votes than Miss Unger she will have to "go some."

The Peninsula ball team was defeated Sunday by the Djilworth Derbies by a score of 4 to 3, and Sellwood trimmed their sails Monday to the tune of 12 to 1. They are now vying with Vancouver for the position in the cellar.

Just a nickel, a dime or a quarter from your loose change now and then will grow amazingly fast. You want to be independent in your old age? Let the First National Bank help. 3 per cent.

A school meeting for the purpose of electing one school director to fill the vacancy that will be made by W. H. King's term expiring will be held in the gymnasium room of the central school building June 20th.

Gus Johnson has purchased the building on Tacoma street that was partially destroyed by fire a couple of years ago and has removed the same to North Ivanhoe where he is having it remodeled into an up-to-date dwelling.

Since a monster celebration here on the Fourth is now assured, wouldn't it be a wise move on the part of council to order the installation of the public fountain near the city hall grounds? There will be many thirsty men and beasts surging around the city on that day and a little "oasis" would not come amiss.

E. C. Hurlbert has commenced erection of a handsome residence on Pessenden street. This will make about the 26th dwelling that Mr. Hurlbert has constructed in St. Johns, selling them almost as rapidly as they are completed, and sometimes before.

Small portions of pay-checks are welcomed by the First National Bank. That strong bank wants to help you save. Begin today with this pay-check. Interest compounded every six months.

The Thimble club held a pleasing session Tuesday afternoon and evening at the residence of E. C. Hurlbert. A spread that would have tickled the palate of the most pronounced epicurean laden the tables and was well taken care of by the disciples of the thimble and their husbands. The evening was made merry with games, music and social chat. For a genuine, congenial and happy good time, the Thimble club is second to none.

The Y. P. S. C. E. "Rag-time" social held in Bickner hall last Saturday was a success in every way. The audience was delightfully entertained and they showed their appreciation by the liberal manner in which they "pungled up" the coin at every opportunity. The society appreciates very much the manner in which they were received by the good people of St. Johns and wish us to express their gratification. Their exchequer stands close to a half century mark of the dollar of their daddies to the good of the new church these people are soon to erect on their lot on East New York street.

The balance is always in your favor when you buy Sunset Ice Cream. You get more than your money's worth because Sunset ice cream cannot be duplicated. By the plate or quantity it's always the same. Your money's worth and more. When you order ice cream for the table see that you get Sunset. Don't have the ordinary kind. Sunset is sold for the same price.

At our fountain you will find the purest syrups and crushed fruit as well as cream and all absolutely fresh every day. Pure delicious soda water is so refreshing when heated or wearied by walking or shopping. Stop in our store and try a glass of our fine soda water. We have all flavors.
