A Terrible Earthquake

Or something worse could cause no more havoc than we're causing with
local drug prices.

Our Future Policy Will Be:

"Ready and willing to compete with the entire field of drugdom, with
prices that will compare or shade the list of any and all competitors, large
or small;" hence

Our motto will be "A Living Profit"

Never before, within our memory, has there ever appeared, locally, a list
of cut prices to compare with the list below; but, of course, to continue
these prices for any length of time would be to do business with abso-
lutely no profit, so we have limited the running time of these prices to
FRIDAY and SATURDAY. Here they are with the profit taken off:

run all summer. We will run for another week the tooth brush and
powder, and comb and brush specials.

Every Saturday hereafter we will have a gift for every lady custo-
mer whose purchase amounts to 50 cents or more.

The meaning of all this price slaughtering is that we have two cash
