

"You are the man for me!" he declared. "I'm sick of the conventional humbug of the world. We will be say exactly what we mean to each other, and tell each other our real opinions."

"We will," said 1, "and as a start. I should like to say that the color of should never wear a red tie." But my new-found friend was a Socialist, and he felt as though he was saying his creed every time he caught sight of his red tie in a shop window, so, after alight argument, he remembered a previous engagement and vanished.

on my way, and presently met a nice, pretty girl, and to her I unfolded my philosophy.

"I'm awfully glad you've told me," she said. "I get so tired of all the silly things people say to one, and I have so often longed for a friend who would tell me what he really thought of me. You will, won't you?"

"I will," I promised. "I'll begin now. You say you get tired of people who say stilly things to you, but really you like them."

But it happened that she was a girl who prided herself on being sincere, who explained to herself many times dally that she only did conventional things because "one had to," and so will greatly benefit the fruitgrowers she was not at all pleased. She told of the state, according to Prof. J. G. what a relief it was to meet some the sale of uninspected plants or one who was not afraid of calling a trees, or any other kind of nursery spade a spade
