ANNOUNCEMENT

I wish to announce to the republican voters of Multnomah county that I am a candidate for re-election to the legislature from this district, subject to the choice of the voters at the primary election to be held September 24, 1910. I am a firm believer in "the direct primary law, statement No. 1 and let the people rule."
K. C. COUCH.

What It Is

What is Statement One? It is a voluntary offer by the legislative candidate to let the people choose United States senator. It is a public declaration before election by the candidate that if the people so desire they may name the senator rather than have the legislature do it. It is a public pledge in which the candidate agrees that if elected he will in the legislature vote for that man for United States senator who shall, in an election before the people, have received the highest number of votes. This public pledge, to let the people instead of the legislature choose the senator, is Statement One, and all there is of Statement One. It is a mere vehicle by which the people are given a perfect system of direct selection of senator. In denouncing it the legislative candidates named by the corporations give notice that they propose to do their own choosing of senator, and that the people will not be allowed a voice in it.

Editor Review:

Please announce my name as a candidate for the office of Justice of the Peace in and for St. Johns, district Multnomah County, Oregon, subject to the approval of the voters of said district at the coming election, and I hereby state that I am in favor of statement number 1 and I also am in favor of a direct primary and believe in the recall. I make this statement so that he who votes may know where I stand.

Brodahl, the realty man, presented the editor with several fine peaches Monday which he raised on his ground in the south end. They were of the Crawford variety, very delicious and measured about ten inches each in circumference.

The Bachelors' club held a most delightful social dance at Bickner hall last Saturday evening. The hall was decorated in the finest and most tasteful style imaginable and all had a splendid time. The attendance was large. The Bachelors are making quite a reputation as entertainers and decorators.

W. H. King and F. H. Brodahl have dissolved partnership in the realty business, the former continuing the business while the latter will retire for the present at least. Mr. Cook, formerly associated with the St. Johns hotel, is assisting Mr. King in looking after the details of the business.

Boxing on Labor Day

What promises to be one of the best fights seen in this vicinity will be between Guy Lee, the former Portland amateur, welterweight champion, and Jack Dolan of San Francisco, when they engage in the art of fistcuffs on Labor Day at St. Johns. The go will be a ten-round affair. Lee formerly fought in the welterweight class, but by hard work has reduced his weight that he might meet boys in the 135-pound class. Dolan is said to be a promising young lightweight who has fought a great deal about San Francisco, where the limited round goes have flourished until recently, when the Governor put the ban on prizefighting of all kinds.

The main go will be preceded by two preliminaries, one between two heavyweights and another between Frankie O'Brien and Kid Exposito, both Portland youths, who have appeared before the fight fans a number of times.—Oregonian.

HOME CURE FOR ECZEMA

Oil of Wintergreen, Thymol, Glycerine, Etc. Used as a Simple Wash.

It really seems strange that so many people suffer year in and year out with eczema, when it is now no longer a secret that oil of wintergreen mixed with thymol, glycerine, etc., makes a wash that is bound to cure.

Old, obstinate cases, it is true, cannot be cured in a few days, but there is absolutely no sufferer from eczema who ever used this simple wash and did not find immediately that wonderfully soothing, calm, cool sensation that comes when the itch is taken away. Instantly upon applying a few drops of the wash the remedy takes effect, the itch is allayed. There is no need of experiment—the patient knows at once.

Instead of trying to compound the oil of wintergreen, thymol, glycerine, etc., in the right proportions ourselves we are using a prescription which is universally found the most effective. It is known as the D. D. D. Prescription, or Oil of Wintergreen Compound. It is made by the D. D. D. Co. of Chicago, and our long experience with this remedy has given us great confidence in its merits.
