The dance given by the St. Johns Athletic Association in the skating rink Saturday night was a most delightful affair. A goodly sized crowd was in attendance and everything passed off just like clock work. Every one present was, apparently, bent on having a good time, and they had it. The music was good, the order excellent and the floor in the best shape ever. Another dance will be given tomorrow night and every Saturday night throughout the winter. Lovers of dancing should make a mental note of the fact.

**ST. JOHNS PHARMACY**  
"THE PROGRESSIVE STORE."

## The Secret of Success

Lies in giving the public full value for their money. The reason the North Bank Pharmacy has become so popular is because Currin adopted this motto and stuck to it. He saw no reason why the people of St. Johns should not have the opportunity of securing drugs and sundries here as cheaply as in the Portland cut rate drug stores. Therefore he began to pare prices down to the lowest possible living profit, and today drugs can be purchased at the North Bank Pharmacy for LESS than the same goods can be bought in Portland. Currin is ever ready to meet competition, and that is why his trade is steadily increasing. If you are not a patron, it would pay you to become so. "CURRIN SAYS SO."
