

**The Poisonous Plant**

(Paid Advertisement)

At an anti-saloon mass meeting held in the M. E. church, South, an address was made by the Rev. J. H. Leiper, field secretary of the Lord's Day Alliance, in answer to the question: "Why the Saloon Must Go." His text was: "Every plant which my Heavenly Father hath not planted shall be rooted up." Matthew 15:13. Following is an excerpt of the address:

Every good institution established in this world can be traced to a Divine source. Conversely, every evil institution among men proceeds from a satanic source. He is blind who cannot see an irrepressible conflict waged between the powers of right and wrong. It is visible all over the world. It seems to be concentrating in our country. God has given the kingdoms of this world to the Saviour of men. Satan disputes that arrangement. Hence, the world wide war, God's war chariots are thundering all over the battlefield. Is there any doubt of the issue? Not for a moment!

Why must the Saloon go? We answer: Because God wills it. 1st Corinthians, 15:25. "He must reign until He has put all enemies under His feet." Is the drinking saloon an enemy? Let us see.

1. It is a robber. It robs its patrons of brain power. That may be temporary, it is often permanent. Of what use is a person wholly or partially insane? He is dangerous. What may not an insane person do? It is a notorious fact that a large per cent of the occupants of our insane asylums were users of alcoholic drink.

\$254,905, 803,94; 1909, \$406,049.-539; gain \$151,083,735.06. Statement: KANSAS STATE, DRY THIRTY YEARS.

Attested by the State Board of Control: Paupers in the state June 20, 1910, 512; poorhouses without inmates, 28; county jails without inmates, 34; county jails without prisoners under sentence, 53. "Our thirty years have been a tremendous success notwithstanding our battle with the wealthy liquor traffic outside of the state." Saloon revenue paid into the public treasury comes from the thin purses of its victims whose families suffer for the necessities of life.

**INDUSTRIES.**

5. Industrial investment in necessities compared with the drink traffic: One million dollars invested in the manufacture of vehicles gives employment to 858 laborers; lumber, 726; leather, 580; iron and steel, 496; paper, 439; liquors, 91.

6. "Prohibition won't prohibit!" "Father of lies!" Then why does the liquor traffic fight it? Prohibition produces "blind pigs!" Let us see: Portland has federal licenses 965; Portland has licensed saloons and drug stores, 465; Portland has a few grocers that sell liquors; but Portland has actually 430 "blind pigs" selling liquors, not paying a dollar of license! Better say: "License does not restrict."

Fellow citizens, the only right thing to do is for the sake of God, our boys and girls and the honor and real progress of Oregon, on November 8 put an X after 329, 342 and 344.

**RESOLUTION**

It is resolved by the City of St. Johns, That it deems it expedient and necessary to improve New York street, from the easterly line of Hayes street to the westerly line of Willis boulevard in the City of St. Johns in the following manner, to-wit:

By grading the same to established grade or grade to be established and by placing concrete walks, six-foot wide, 12-foot curb, at either side, with all necessary cross-walks and box gutters and by placing a strip of macadam in the center 12 feet wide, 8 inches deep in center and 6 inches on either side, said walk and curb to have expansion joints where directed by the City Engineer.

All work to be done according to the plans and specifications of the City Engineer on file in the office of the City Recorder relative thereto, which said plans and specifications and estimates are satisfactory and are hereby approved. Said improvements to be made in accordance with the charter and ordinances of the city of St. Johns, and under the supervision and direction of the City Engineer.

The cost of said improvement to be assessed as provided by the city charter upon the property especially and particularly benefited thereby, and which is hereby declared to be all of lots and parts of lots, blocks and parcels of land between the termini of such improvements abutting upon, adjacent or proximate to said New York street from the marginal lines of said street back to the center of the block or blocks or tracts of land abutting thereon or proximate thereto.

That all property included in said improvement district is hereby declared to be "Local District No. 51."

That the city engineer's assessment of the probable total cost of said improvement of said New York street is \$1,800.00.

That the cost of said New York street to be assessed against the property in said local assessment district as provided by the charter of the City of St. Johns.

Adopted by the council Oct. 25, 1910. A. M. ESSON, Recorder.

Published in the St. Johns Review, Oct. 28 and Nov. 4, 1910.

**NOTICE OF Proposed Assessment.**

Notice is hereby given that apportionment of the cost of improving Tyler street between Jersey street and the south line of Crawford street, total cost of \$6,067.50 has been apportioned and is now on file in office of the undersigned, subject to examination.

Assessment district extends back to the center of lots, blocks or tracts of land abutting on said street as provided by the city charter and resolution.

Remonstrance against said apportionment may be made in writing and filed with the undersigned till 5 o'clock p. m. November 14, 1910.

A. M. ESSON, Recorder.

**NOTICE OF Proposed Assessment.**

Notice is hereby given that apportionment of cost of improving Midway avenue from Columbia boulevard to Belmont street, total cost of \$9,060.08 has been apportioned, and is now on file in the office of the undersigned, subject to examination.

Assessment district extends back to the center of lots, blocks and parcels of land abutting on said avenue as provided in the charter and resolution.

Remonstrance against said apportionment may be made in writing and filed with the undersigned till 5 o'clock p. m. November 14, 1910.

**ORDINANCE NO. 333**

**An Ordinance to Correct the Wording of Ordinance No. 14 of the City of St. Johns, as Recorded on Page No. 329 of Book I of the Records of the City of St. Johns, and Approved on July 6, 1903, and Directing That the Same be Correctly Recorded.**

Whereas, on July 6, 1903, the common council of the City of St. Johns passed Ordinance No. 14, which was approved on said day by the mayor of said city, and was thereafter recorded in volume 1, at page 329 of the records of said city, which ordinance has ever since said date of July 6, 1903, been in full force and effect and no part of the same has been repealed, and

Whereas, said ordinance as worded in the recording thereof on page 329, book 1 of records of St. Johns is as follows: "That Albany street, known on the original plat of St. Johns as Front street from the easterly side line of John street to the westerly side line of Richmond street, known on the original plat of St. Johns as Main street, shall be and is hereby vacated, and all rights of the public therein shall revert to the owners of the ground on each side thereof in equal proportions."

"That John street, from the southerly side line of Albany street, known on the original plat of St. Johns as Front street, to low water mark in the Willamette river, shall be and is hereby vacated, and all rights of the public therein shall revert to the owners of the ground on each side in equal proportions."

"That Charleston street, known on the original plat of St. Johns as Willamette street, from the southerly side line of Bradford street to the northerly side line of Albany street, known on the original plat of St. Johns as Front street, be and is hereby vacated and all rights of the public therein shall revert to the owners of the ground on each side in equal proportions."

Whereas, said ordinance, as the same was by the common council intended to be worded and actually passed provided that Charleston street, known on the original plat of St. Johns as Willamette street, from the southerly side line of Bradford street to low water mark in the Willamette River, be and is hereby vacated and all rights of the public therein shall revert to the owners of the ground on each side thereof in equal proportions; and by a clerical error in the writing and recording of said ordinance in the records of St. Johns the vacating of said Charleston street was not extended southerly only to the northerly side line of Albany street in place of low water mark in the Willamette river, and

Whereas, the vacating of said Charleston street, as actually made by the common council, vested the ownership in the portion so vacated in the owners of the ground on each side thereof, and the City of St. Johns has not since the date of the passage and approval of said ordinance had any interest in that portion of Charleston street between the northerly side line of Albany street and low water mark in the Willamette river, and the same is entirely detached from any other street or other highway in the municipality and cannot be utilized or occupied by said municipality, and

Whereas, the Marine Iron Works, a corporation, and its predecessors have been in actual ownership and possession of said Charleston street from the north side line of Albany street to low water mark in the Willamette river since July 6, 1903, and are using the same for manufacturing purposes, but

Whereas, said clerical error and mistake in the writing and recording of said ordinance as above set out, constitutes a cloud upon the title of said owner of that portion of Charleston street so erroneously omitted in the recording of said ordinance, and

Whereas, the City of St. Johns is desirous of removing said cloud and correcting the erroneous description of that portion of Charleston street heretofore vacated,

The City of St. Johns does hereby enact as follows:

Sec. 1. That the record of Ordinance No. 14 of the City of St. Johns as made in volume one at page 329 of the records of said city, be and the same is hereby corrected so that the same shall conform to the terms of the ordinance as actually passed by the common council, which corrected wording of said ordinance is as follows, and shall be so recorded by the recorder of the City of St. Johns upon the approval hereof by the Mayor, to-wit:

"That Albany street known on the original plat of St. Johns as Front street from the easterly side line of John street to the westerly side line of Richmond street, known on the original plat of St. Johns as Main street, shall be and is hereby vacated and all rights of the public therein shall revert to the owners of the ground on each side thereof in equal proportions."

"That John street from the southerly side line of Albany street, known on the original plat of St. Johns as Front street to low water mark in the Willamette river, shall be and is hereby vacated and all rights of the public therein shall revert to the owners of the ground on each side thereof in equal proportions."

"That Charleston street, known on the original plat of St. Johns as Willamette street, from the southerly side line of Bradford street to low water mark in the Willamette river, be and is hereby vacated and all rights of the public therein shall revert to the owners of the ground on each side thereof in equal proportions."

Passed the council this 6th day of July, 1903.

A. L. MINER, Recorder.

Approved this 6th day of July, 1903.
