OPPOSITE POSTOFFICE, ST. JOHNS

Local News.

E. B. Holcomb has moved to his new home at Northern Hill.

The Peterson house on North Jersey, near Fessenden street, is being treated to a new dress of paint.

The W. C. T. U. business meeting will be held at the Advent church Monday, Nov. 21st, at 2:30 p. m. All members are earnestly solicited to attend.—Press Cor.

L. Riehl has just completed a five-room cottage near the high school building. It presents a handsome appearance.

W. H. Haskins has purchased a lot on North Jersey street and will build himself a fine home thereon next spring. The sale was made through the agency of S. L. Doble.

Let's give the annexation question a well deserved rest now and unite our energies toward improving conditions in St. Johns while she is St. Johns without Portland being attached to her name.

It is said that an engineering corps has been busy taking field notes of the Western Coopage property adjacent to the dry docks. What it portends we have been unable to find out.

Mr. and Mrs. George Sloper were visitors at the home of E. A. Simmons, 726 Oswego street, last week. Mr. Sloper is engaged in the hop business at Independence. They are both very much attracted to our little city. They think it a very lively place.

W. H. Gregory of St. Johns and his brother, W. N. Gregory of Sisson, Calif., have returned from Lynchburg, Va., where they were called by the illness and death of their mother. W. N. Gregory is spending a few days visiting his brother before going to his California home.

The laying of the Jersey street sidewalk is proving quite an inconvenience to the traveling public and the business houses during the muddy weather. There is general satisfaction, however, over the fact that the street will present a splendid appearance when the work is completed.

Building permits since October 24th have been less than for the same length of time any period of this year. Those parties who claimed they would at once commence to build residences if St. Johns voted to annex with Portland have so far failed to make their promises good.

Vacant houses in St. Johns are almost as scarce as "hen's teeth."

There will be a Thanksgiving service at the Baptist church next Thursday at 10:30 a. m. Everybody invited to attend.

John Earlywine has purchased a house and lot on North Fillmore and with his family has taken possession of the same. He formerly resided in Portland.

Mrs. F. W. Valentine is attending a family reunion at Spokane this week with her mother, brother and sisters. She will take in the big apple fair there before returning to St. Johns.

A social afternoon, a devotional service and 5 o'clock lunch will be given in honor of the old people of St. Johns at the First Baptist church Thursday, from 3 to 5 p. m. Every person over 65 years old living in St. Johns is invited to come and remain for the lunch at 5 o'clock.

At the M. E. church, Sunday, Nov. 2.—Sunday school at 9:50 a. m. Preaching at 11 a. m. Dr. J. W. McDougall, the new District Supt., will preach and administer the Lord's Supper. Junior League 3 p. m.; Epworth League 6:30 p. m.; evening service 7:30 p. m. At this service he will preach and conduct an evangelistic service. All are cordially invited. F. N. Sandifer, pastor.

Scientists have proven that after about the forty-second year of human life the natural eyesight begins to fail, and one of these scientists has succeeded in measuring this sight-failure and applying the measurement to his own secret process of lens grinding, resulting in an eye-glass that guarantees to fit all cases of normal sight-failure. Scores of St. Johns people whom we have fitted will recommend them in the highest terms. Price, one dollar.
