'What We Recommend, We Guarantee'

## This is a Real Blood Remedy

You cannot enjoy perfect health unless the blood is pure. To be pure it must be full of nourishment, rich red in color and circulating freely.

The most satisfactory treatment we know of is

## Nyal's Hot Springs Blood Remedy

—a prescription medicine that is prompt and effective in its action, cleanses the blood of all impurities, stirs up the circulation to renewed activity and supplies nourishment to body tissues.

Please understand that Nyal's Hot Springs Blood Remedy is not a "cure all"—nor is it a "patent"—it is a prescription medicine that comes as near to being a specific as anything we know of. We have seen some wonderful results from this remedy—come in and let us tell about them—if any time you need a blood medicine, you will be glad you came. One dollar for a large bottle.

Any doctor will tell you that when we compound a prescription it's done right. Bring us your prescriptions.
