"What We Recomend, We Guarantee"

DON'T NEGLECT
Those Rheumatic Pains

You know that Rheumatism, once it becomes established,
requires prolonged treatment—it means much misery and
torture during that time.

When the joints show a tendency to stiffen or become the
least painful then is the time to remember

NYAL'S Rheumatic Remedy

—promptness of treatment counts much towards eliminat-
ing the disease—the longer you neglect it the more painful
and lingering it becomes.

Nyal's Rheumatic Remedy removes the poison from the sys-
tem in the shortest time possible—its continued use will re-
sult in a permanent cure. A large bottle for \$1.00.

Whatever a good drug store ought to have—and many
things that other drug stores don't keep—you'll find here.
Come to us first and you'll get what you want.
