SUICIDE!!

Traveling salesmen, visiting druggists and others affiliated with the drug business tell us it is suicide for us to wage a cut-rate war in a small town like this, but we generally tell them "that's our business," for really it is; our business is a CUT RATE business; we cut for a purpose and our purpose is accomplished. We feel that the public is satisfied and if they're satisfied, we're satisfied. "Cut-rates" is our hobby and our slogan and ever will be, so "Long Live Cut-Rates."

Good Blood Means Good Health

A clear healthy skin, full of life and color, reflecting perfect health and energy has long been known to be a business and social asset.

If you are not fortunate possessor of all the above—if you are suffering from skin eruptions of any description, it means that the blood is weak.

Pure blood, rich red in color and circulating freely, is the essential factor in the possession of perfect health.

When it becomes impoverished—thin and watery—it cannot supply proper nourishment and the body tissues become diseased.

In our estimation Nyal's Hot Springs Blood Remedy is the one best treatment. It gets at the root of the trouble, cleanses the blood of impurities, increases the circulation, produces blood that is rich in nourishment—blood that will build up broken-down tissues.

You will never regret having used Nyal's Hot Springs Blood Remedy—it will put you on your feet. \$1.00 the bottle.

We expect to be here in business a good many years. The only way we can do it is by treating everybody right. That's our policy.
