Regular meeting of Doric Lodge A. F. & A. M. Wednesday, June 7. Work in M. M. degree.

St. Johns Hardware Co. has had some material improvements made in their display window.

Needles are small things and easily lost, but if a small bottle be secured to keep them in there will be no further bother in that way.

James Parkapile, W. F. Ford and T. T. Larson are erecting small dwellings on Newton, Oswego, and Stafford streets, respectively.

The McCabe & Corbett store building on South Jersey has been painted a reddish color of the most pronounced hue, and glistens like a nigger's heel in the moonlight.

It would be rather nice if those beautiful lofty poles could be successfully budded to fruit or shade. The good offices of Luther Burbank might be used to some advantage.

Mrs. T. T. Larson has purchased a lot on Stafford street from John J. Oster and Wm. Murphy also purchased a lot on the same street from John Pond, both sales being made through McKinney & Davis.

Two pictures of more than ordinary interest were presented at the Electric this week: "Back to the Primitive" and the sinking of the battleship Texas in a wanton manner by sister ships. Both were of the highest class and greatly appreciated by the large audiences.

Where do you buy your meat? Is it giving you good satisfaction? Are you getting the quality for the price you are paying? Is it sometimes stale and unpalatable? These are pertinent questions, but they are vital. Ward's Meat Market is the place to go for satisfaction, quality, full weight and fresh meat.

For Sale—My home of eight rooms, 100x100, overlooking the river, all kinds of fruits, berries, and chickens. Rents for \$26 per month. \$2800 takes it. 203 N. Edison street. 307c

A cuff link with a monogram engraved thereon was found on the street and left at this office by a resident. If the owner values it enough to pay for this notice he can have same by calling at this office.

The ranks of the old soldiers are getting woefully thin and their footsteps, once so bold and fearless, are becoming pathetically feeble. A few more years and they shall have become only a sacred memory.

R. F. Lash came up from Astoria last week to see his friends and look after his property interests here. He says the Historical Jubilee to be held in Astoria August 10 to Sept. 9 will be something well worth while.

When putting away woollens and furs for the summer, brush them thoroughly and air them, then sprinkle them liberally with black pepper to preserve them from moth. There is no disagreeable odor, and the pepper is usually at hand.

A regular morning operation of the bowels puts you in fine shape for the day's work. If you miss it you feel uncomfortable and cannot put vim into your movements. For all bowel irregularities HERBINE is the remedy. It purifies, strengthens and regulates. Price 50c. Sold by St. Johns Pharmacy.

Sleep an Hour Later in the Morning

Ever had to get up before six
Cold winter mornings dark as styx
The kitchen fire to build and fix;
Then have the coal fire make you wait
For breakfast until almost eight
Making your day's work an hour late?

With a gas range, women's best friend,
There's no kindling to make, no fire to tend,
All worrying over breakfast is at an end;
You can sleep right up to 6:45, thank heaven,
Have breakfast ready on the dot at seven,
Finishing the day's work long before eleven.
