Nyals Hot Springs Blood Remedy Makes Rich Red Blood

When your blood is impure remember that this is one of the most satisfactory blood and skin remedies in existence.

We do not claim it to be a specific, but it comes the nearest to it of anything we know of. It cleanses the blood of all impurities—destroys disease-producing germs—makes good, rich red blood—stirs up the sluggish blood—increases the circulation and supplies nutrition to the body tissues.

Keep the Blood in a Healthy Condition

The blood doing its full duty and the skin will remain clear and healthy. The blood must be pure in order to nourish the skin—it's the foundation of health. This is the foundation, the base upon which the success of Nyal's Hot Springs Blood Remedy is built—it purifies the blood and keeps it pure. This remedy has our hearty endorsement—try it and you will never regret it. Price, \$1.00 the bottle.

Since school days are rapidly approaching, Postmaster Monahan desires to notify parents through the Review that but one child in each family should be empowered by a written order to get mail matter at the postoffice, and only one child will be recognized. Parents, of course, can get mail whenever they desire it. This course is adopted because without this regulation one child will come in and get the mail and one or two others come in later and ask for the same mail, making much unnecessary work and delaying the delivery of the mail.
