MR. WILEY,

Of the Pure Food and Drug Commission
Says: "Dr. Hobson's Formulae contain
extraordinary large amounts of the
more expensive drugs and chemicals,
which shows the old Doctor does not
belong to the great horde of Patent
Medicine Grafters, but on the contrary
must be imbued with a fine sense of
humanitarianism and a most sensitive
conscience."

sells the goods on their merit to his
agents, and says the remarkable satis-
faction given is the greatest advertis-
ing his goods could receive.
