#### RESOLUTION

It is resolved by the city of St. Johns:

That it deems it expedient and necessary to improve Gresham street from the easterly line of Buchanan street to the westerly line of 14th street in the city of St. Johns in the following manner, to wit: By grading said portion of said street to grade as shown on plan and profile prepared therefor by C. E. Andrew, city engineer, and by laying a 6-foot cement sidewalk on both sides thereof the entire length of the improvement, together with all necessary cement crosswalks and iron gutters; cement curb 12 feet from property line the entire length. Said work to be done according to the plans and specifications of the city engineer on file in the office of the city recorder relative thereto, which said plans and specifications and estimates are satisfactory and are hereby approved. Said improvements to be made in accordance with the charter and ordinances of the city of St. Johns, and under the supervision and direction of the city engineer.

That the cost of said improvement to be assessed as provided by the city charter upon the property especially and particularly benefited thereby, and which is hereby declared to be all of lots, parts of lots, blocks and parcels of land between the termini of such improvements abutting upon, adjacent or proximate to said Gresham street in equal proportion to each lot abutting thereon from the marginal lines of said street back to the center of the block or blocks or tracts of land abutting thereon or proximate thereto.

That all the property included in said improvement district aforesaid is hereby declared to be Local Improvement District No. 26.

That the city engineer's assessment of the probable total cost of said improvement of said street is \$4,119.75.

That the cost of said improvement is to be assessed against the property in said local assessment district as provided by the city charter of the city of St. Johns.

Adopted the 21st day of November, 1911.

F. A. RICE,  
City Recorder.
