

**The Spirit of It**

Wm. D. Heywood was tried for murder in Idaho. There was proof enough offered to hang a dozen men, but unfortunately it was not confirmed as it was delivered by the real agent who perpetrated the murder. But Mr. Heywood delivered a speech in Coopers Union, New York, recently, in which he said:

"My heart is with the McNamara boys, so long as they are working in the interests of the working class. I don't think any socialist can be a law abiding citizen."

The McNamaras confessed to wholesale murder. All Mr. Heywood did at Cooper's Union was to confess that he approved of murder in obedience to a code which, in effect says: "Working men have a right to do as they please regardless of the law, and if anyone interferes with their program, it is right to murder him."

It would be a very good thing if the labor unions of this country on the confession of the McNamaras and the admissions of Mr. Heywood, should determine to have a little house cleaning of their own and never more elect officers who have a code that interferes with the righteous laws of the United States. —Goodwin's Weekly.

**RESOLUTION**

It is resolved by the city of St. Johns, Oregon:

That it deems it expedient to lease and hire to the St. Johns Lumber Company, a private corporation, the southerly one-half of Bradford street, in the city of St. Johns, or that portion thereof lying and being on the southerly side of said street between a point forty (40) feet westerly from the westerly side line of Salem street in James Johns Addition to said city to the center line of block numbered two (2) in original plat of St. Johns for a period of five (5) years from and after the first day of July, 1911, for a total rental of five hundred and fifty (\$550.00) dollars, said sum to be paid as follows, to wit: \$500 in cash, balance in annual installments of ten (\$10) dollars each, payable on the first day of July of each year during the continuance of said lease.

Provided, however, that it shall be specified in said contract of lease, and that such lease is only granted upon the express condition that the city of St. Johns does reserve the right in and to said portion of said street to lay water mains and water pipes, gas mains and gas pipes, sewer mains and sewer pipes, and to grant any franchise over said street to any railway company or bridge company or transportation company or other public service corporations, or if public necessity demands the use of said street for a public highway or other public purpose to its option, upon sixty days notice to the said Lumber company, terminate said lease, and in that event the said company to remove, at its own cost, any and all obstructions therefrom within sixty (60) days from the date of notice and to render to said city the quiet and peaceful possession thereof within said time; provided the said city shall refund to said Lumber company the unearned portion of the lease money as herein provided and paid.

That said lease shall prohibit the said St. Johns Lumber company, or its successors or assigns from placing any structure or substructure in said portion of said street that might, could or would in any manner deprive the city of St. Johns the free use and enjoyment thereof in the exercise of the rights and privileges by said city retained, and that said Lumber company shall use said street in connection with the business with which it is now engaged, and that said lease shall contain such other covenants, restrictions and limitations as may seem to the mayor of said city for the best interests of the said city of St. Johns.

Adopted by the council January 9th, 1912.
