K. C. Couch wishes us to state that it was not his request that the new ferry boat be named after him; that he was interested only in securing the free ferry, and not in the name. The people of St. Johns know to whom the credit of the free ferry belongs, and it would be most fitting if the county court should decide to name it in Mr. Couch's honor. The name, however, is immaterial to him.

Mrs. W. R. Evans entertained the new 500 club, the "Jolly Twelve," Thursday night of last week, at her beautiful home on Stafford street. The room was decorated in great shape with pictures of hearts, both large and small.

The masquerade ball given by Sneed Brothers in the rink Wednesday evening was an unqualified success. The crowd was immense and enjoyment was rife throughout the evening.
