

# Socialist Columns

To the Citizens of St. Johns:

These columns are leased by the St. Johns Local of the Socialist party, and the editor of the Review is in no way responsible for any of the ideas here advanced.

Our desire is to be understood. Our purpose is to make clear our political doctrines as they apply to our city government as well as to state and national policies, well knowing that our bitterest opposition comes from a misconception of our ideas, as most of us at one time believed a socialist to be a wild-eyed lunatic, until by having it made clear to us we at last caught the great idea.

We ask each reader to consider our arguments calmly and do not be influenced on one point by the fact that you have understood that the socialists believe in such and such another absurdity. It may not be so. Many people see the same occurrence will each have a different impression as to what took place. And a statement viewed from different standpoints will have a different meaning to different people.

So when we announce that we wish to abolish rent, interest and profits, many, perhaps most people, get an impression and jump to conclusions as to methods and processes which the socialist has not dreamed of. When we speak of the inequalities of wealth as a result of the present capitalistic system, many assume that we want to have it "divided up," and on account of this notion thousands have been prevented from trying to find out what we really do propose.

If the reader has any such absurd impression of socialism please to forget it as you read these columns during the next few weeks.

The next meeting of the Local will be at the home of Comrade Gee, corner of Ivanhoe and Catlin streets on Monday evening, March 4th, and a week later at some public place to be announced when the business will be to nominate a ticket for the city election.

All comrades and sympathizers will please take notice.

### Notice to the Public

The two leading magazines of the Pacific coast, the Pacific Monthly and the Sunset, have been consolidated under the title of "Sunset-Pacific Monthly."

It is the intention of the publishers to spare no money nor effort to make Sunset—the Pacific Monthly—a credit to the West and a magazine of national value and importance.

To introduce it to new readers, we will make the following special offer: Send 50c in stamps and we will put your name on our list for the next four months, and will send you free a copy of the superbly illustrated Mid-Winter number, and also the famous Sunset Indian poster, securely packed in a mailing tube. It will make a beautiful ornament for your front room or den.

Send your order to Fred Lockey, Northwestern Manager, Sunset—the Pacific Monthly, Portland, Ore.

### ASHAMED OF HER FACE

"I was ashamed of my face," writes Miss Richard of North Carolina. "It was all full of pimples and scars, but after using Dr. J. C. Williams' Pink Pills for Pale People I can say that now there is no sign of that loathsome and that was three years ago."

This is but one of thousands of cases in which Dr. J. C. Williams' Pink Pills have cleared the skin of Eczema, Pimples and other serious skin diseases, since the 17th century, and when used with Dr. J. C. Williams' Cream soon to be introduced. Nothing like Dr. J. C. Williams' Pink Pills for the complexion.

Try a bottle. It is worth enough to prove the merit of this wonderful remedy.

We can also give you a full size bottle for \$1.00 on our absolute guarantee that if this very first bottle fails to give you relief it will cost you nothing.
