

Regatta a Sure Go

Secretary Crawshaw met the officers of the Portland Motor Boat club on Tuesday and had an extended conference with them in regard to the details of the Regatta, and afterward they together called on Secretary McAllister of the Elks Committee and had an interview with him which resulted in selecting Tuesday, July 9, as the date for the Regatta which will take place at St. Johns. The commodore and other officers of the Portland Motor Boat club are coming to St. Johns Monday evening next to meet the board of governors of the Commercial club to talk matters over and exchange views touching the event which is expected to attract thousands of people to our city and the river front generally. Plans will be immediately begun and put into operation to forward the movement, which will be the greatest advertisement St. Johns has ever had in bringing it to the personal attention of people from all over the country. The Regatta will be a big thing for St. Johns, and we are exceedingly fortunate in getting it.

The Mothers' meeting next Monday afternoon will be held at the home of Mrs. Kelley, 225 Oswego street. The subject for consideration: "Literature for the Child Under Ten Years of Age," is a very important one, and we anticipate a very interesting time. Miss Rundall of the public library will be with us, and with her ever kindly spirit of helpfulness, will give us a paper on the subject. There will be other readings, recitations and music, and we hope to have a good attendance. Monday at 2:30.—Reporter.

That it pays to advertise was again demonstrated when we announced the fact that a quantity of seeds had been sent to this office for free distribution. In three days after the paper was published we had over 100 calls for seed. Several of the callers were not subscribers, but read the item in their neighbor's paper. The seeds are supposed to be the best obtainable. However, if they fail to "come up" in six weeks, bring them back and get another package.

Be sure and wait for your coupons at the Bungalow. They are valuable.

Mrs. Frank Rice entertained the E. T. O. club at her home on Charleston street on Friday last. A pleasant time was had by all present. A delicious luncheon was served consisting of marshmallow pudding with whipped cream, cake and coffee. Those present were: Mrs. P. H. Edlefsen, Mrs. John Edlefsen, Mrs. Stroud, Mrs. Drinker, Mrs. Evans, Mrs. Anderson, Mrs. Anton Edlefsen and little daughter, Mrs. Rice, Mrs. Valentine and Mrs. Markle.

Paper-Bag Cookery, which has become so popular in Europe, has now been introduced into America, and may be secured in St. Johns. The bags do away with pots and pans, the food being prepared and put into the bag without any dish or other receptacle. This means no greasy cooking dishes to wash. Those who have tried them claim the bags are a great success. Thirty assorted bags cost about 50 cents.

The Maypole dance given in the rink Wednesday evening by the Pythian Sisters, furnished a huge amount of fun and entertainment for the large crowd in attendance. The Maypole feature was a fine one and a novel innovation to many. Those who failed to attend certainly missed something worth while.

The movement for free mail delivery in St. Johns is now under way, the petition circulated by the Commercial club having received numerous signatures and will soon be ready to forward to the proper authorities at Washington, D. C., with accompanying papers.

The Commercial club meets in regular session next Wednesday evening. All members should make a note of this and attend if possible. The Ladies' Auxiliary meets next Tuesday afternoon.
