HELPS THOSE SICK KIDNEYS

How many times have you had your work, your sleep, or your leisure hours interrupted by recurring pains in the region of the kidneys?

Did you ever experience anything more unpleasant and annoying?

You probably neglect it too—let yourself believe it wasn't serious—be over it in a day or two. When the kidneys give you warning of inability to perform their duty, assist them in every way—help them get rid of poisons they are accumulating—waste matter they cannot throw off.

They are weak and need strengthening. See that they are built up—back to normal—and it won't be many days until you are built up, eager for work and enjoying your rest and leisure hours. It's your own fault if you don't.

All that you need to do is take

NYAL'S STONE ROOT COMPOUND

There's a wealth of wisdom in that assertion—This preparation is one of the most prompt and effective preparations we have and we are confident that it will do as represented.

Make us prove it. If we can't, your money refunded; 50c and \$1.00 the bottle.

"Pug" Bishop, the genial exponent of the Bachelor club, with the three Canuck friends he brought with him have returned to Victoria, B. C. The entire quartet expressed the keenest pleasure with the reception given them. It was one continual round of pleasure, feasting and dancing, receptions and Rose Carnival attractions, with all the frills that go to make it interesting. Our lads exerted themselves to send the visitors from across the border home with a good taste in their mouths, and they evidently succeeded, as all four of them declared it would not be long until they would be back here to stay. Our Canuck friends were especially enthusiastic in their praise of St. Johns and the people here.
