RESOLUTION

It is resolved by the city of St. Johns, Multnomah county, Oregon:

That Whereas, the Viewers in th matter of the opening, laying out and establishing of Dawson Street from the southeasterly side line of Columbia Boulevard easterly to the center line of Ida Street, and the appropriat-ing therefor of a thirty-foot right of way of the Portland Railway, Light and Power Company, have filed their report with the Council of the City of St. Johns, which said report wat adopted by Ordinance number 494 of the City of St. Johns, passed by the Conneil and approved by the Mayor on the 23d day of July, 1912; and Whereas, the Portland Rallway Light and Power Company is the sole

owner of the property to be appro-priated for the said opening, laying out and establishing of Dawson Street; and

Whereas, the assessment of the benefits exceeded the damages in the opening, laying out and establishing of Dawson Street and of appropriat

of Dawson Street and of appropriating the thirty foot right of way of the Portland Railway, Light and Power Company therefor, and Whereas, the Portland Railway, Light and Power Company has paid the exceas of the benefits over the damages and has filed a written waiver of its right to appeal from the assessment of the benefits and damages; and

Whereas, there are no other per sons interested in said appropriating of said property nor any benefits to be assessed nor any liens to be dock

Now, Therefore, Be It Resolved By The City of St. Johns, that the fol-lowing described tract of land, to wit "A thirty (not right of way situated in Section Seven, Township One North, Range One East of the Wil Sorth, Range One Fast of the Wil-lamette Meridian and Section Twelve. Township One North, Range One West of the Willamette Meridian, and extending along the center line of Dawson Street from the southeast erly side line of Columbia Boulevard easterly to the center line of Ida Street, said center line of Ida Street being the easterly boundary of the City of St. Johns, Oregon, the center line of said strip of land thirty feet in width being more particularly de scribed as follows:

"Reginning at a point in the south easterly side line of Columbia Boule vard where intersected by the cente line of Dawson Street; thence south 7 deg. 41 min, east along the center line of Dawson Street a sufficient distance to intersect the said center line of Ida Street heretofore describes containing in all 86,874.3 square feet

"It is hereby intended to describe a right of way thirty feet in width previously conveyed by Namey Caples to the City & Suburban Railway Company by deed recorded in Book 20spage 96, Records of Deeds, Multinomah County, and also a right of way thirty feet in width previously conveyed to the City & Suburban Railway Company by Reuben Weeks. Trustee, and Clarissa Weeks, his wifeby deed recorded in Book 307, page 475, Records of Deeds, Multinomah County, on which said strip of land the Portland Railway, Light and Power Company now insuntains and 'It is hereby intended to describe ; Power Company now institutions and operates a street railway." Be and the same is declared to be a portion of Dawson Street and is hereby ap-propriated for public use and street purposes, subject, however, to the following conditions, reservations and

First: There shall be reserved t the Portland Railway, Light and Pow or Company, its successors and as signs, an exclusive and perpetus signs, an exclusive and perpetual right of way for railway, street rail way, and electrical purposes, over, across, along and upon its said right of way so to be appropriated and condemned for street purposes as here inhefore set forth, together with the right to locate, construct, equip, repair, operate and maintain over across, upon and along said right of way, an electric railway or street railway of either single track or double tracks (with the right to closure from tracks twith the right to change from a single track to double tracks, or to change from double tracks to a sin-gle track), and all necessary and con-venient switches, side tracks, turn outs, cross overs, and connections and the right to operate and propel cars along and upon said track or tracks by means of electrical power or other improved mechanical power tall of said rights tall of said rights and reservations t apply to the tracks of said Portland Railway, Light and Power Company, now located on said right of way as well as those hereafter to be located or constructed thereou by said Portland Railway, Light and Power Com pany, its successors and assigns), and the right to stretch over, upon, along and across said right of way trolled wires, span wires, and feed wires with all necessary and convenient applances and appurtenances, and the right to lay, construct, operate and maintain underground conduits on said right of way with all mecessary and convenient appliances and appurtenances for the carrying of said wites, or any thereof, under said right of way, or any part thereof, and other necessary and convenient right or reservations in the nature of case the railway, street railway, light power lusiness of said Portland Ra-way, Light and Power Company, i successors or assigns, which may necessary or convenient to be used said Portland Railway, Light an Power Company, its successors an assigns, in carrying out its or th

ate cars thereon and to charge an collect charges, fares and tolls to the transportation of passengers an freight carried on such cars. Second.
