

BANKRUPT SALE

of the Johnstone's Toggery Stock

15 Days, Beginning Tuesday, September 10th and Continuing Through September 26th

ALL of this stock is clean and fresh. Before buying this stock Mr. Johnstone had the room completely remodeled. Everything has had the best of care and for the most part is actually less than one year old. So at this sale there is absolutely no junk.

To mention a few things:

Men's Underwear, regular	\$1.25 suits, sale price \$.84
" Trousers	2.50 " " 1.67
" " "	3.00 " " 2.00
" " "	3.50 " " 2.34
" Shoes	5.00 " " 3.35
" " "	4.50 " " 3.00

This stock includes the Ladies' Dresses, Underwear, Hosiery and Neckwear, Stick Pins, Cuff Buttons, Mirrors, Purses and Notions.

IT is our intention to conduct the store as a Men's and Young Men's Exclusive Furnishing Store including shoes, while our old store will be fitted more completely than ever with Ladies' Wearing Apparel. We desire to change some of the lines and we must close out a lot of the excess stock. Excess stock was the undoing of the former owner of the store.

You can fit your boy out in a suit of clothes, hat and pair of shoes for school wear at a very, very reasonable price. Thus a new hat at \$1.25, suit at \$6.00, stockings at 25c, shirt or waist at 50c, underwear at 75c, necktie at 25c, collar at 10c; would cost regularly \$9.10 but the sale price will be \$6.07.

We have employed no Sales Specialist to handle this sale for us. We are established in St. Johns. We depend upon your return and not upon transient business. We cannot afford to deceive.

WE bought the stock at 58 per cent of the invoice price. There being no dead stock of consequence, it can be plainly seen that we can sell everything at the invoice value and still make a profit of 42 per cent. For example a \$3.00 man's hat usually costs at wholesale \$2.00; at the price we paid the hat costs us about 60 per cent of \$2.00 or \$1.20. This same example works out on everything. To go over the entire stock and remark it is an almost endless piece of work, so we use the plain selling figures, as the stock was marked and you can buy anything from a yard of ribbon to a pair of shoes, figure up the selling price and deduct one-third the amount. Thus a bill of \$5.00 will cost you \$3.33.

There are 38 Men's Suits of the Sincerity line. At the price we name you can afford a new suit under almost any circumstances.

A \$25.00 suit will go at	\$17.67
An 18.00 suit will go at	12.00
A 15.00 suit will go at	10.00

Can you make money any easier? Consider that all these are actually reasonable merchandise. The sale is a bonafide Bankrupt Bargain Sale at the Toggery, corner of Burlington and Jersey Streets. The Store with the white front.

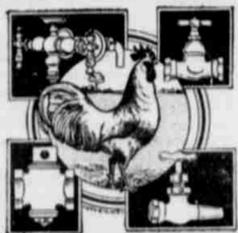

We will be open evenings during this Sale

ORDINANCE NO. 505

An Ordinance Providing the Time and Manner of Making Six Inch Sewer Connections from the Main Sewer to All Lots Which Are Not Now Connected on Fillmore Street from Fessenden Street to St. Johns Avenue in the City of St. Johns, Oregon.

The city of St. Johns does ordain as follows: The council of the city of St. Johns, having ascertained the cost of improving Fillmore street from the north side line of Fessenden street to the south side line of St. Johns Avenue in the city of St. Johns, as shown by the resolution of the council of said city dated on the 6th day of August, 1912, and recorded in the office of the recorder of said city, and notice thereof having been published in the St. Johns Review, a weekly newspaper of general circulation, on the 9th day and 16th day of August, 1912, as shown by the affidavit of the foreman of said paper, which said affidavit is on file in the office of the city recorder, and legal posting of notices of such improvement, as shown by the affidavit of the city engineer on file in the office of the city recorder, and no memoranda having been filed, and, as provided by said resolution, engineer's preliminary estimate of the cost of said improvement is \$650.00, but shall be more accurately determined by said engineer.

"Cocks" for the game fight haven't any place in our curriculum. The business of Plumbing is more matter of fact. In our work and among our supplies we use the best the market affords in the way of Cocks, Faucets & Pumps and other auxiliary sundries. We do good work at reasonable prices.

School Year Opens September 20th

RESOLUTION

It is resolved by the City of St. Johns, Oregon, That it deems it expedient and necessary to improve Fillmore street from the northerly line of W. Richmond street to southerly line of W. John street in the city of St. Johns in the following manner, to wit:

By grading the said portion of street to subgrade ready for hard surfacing and by laying a six foot cement walk and eighteen foot curb on both sides of said street with the necessary crosswalks and corrugated iron gutters.

Work to be done according to the plans and specifications of the city engineer on file in the office of the city recorder relative thereto, which said plans and specifications and estimates are satisfactory and are hereby approved. Said improvements to be made in accordance with the charter and ordinances of the city of St. Johns, and under the supervision and direction of the city engineer.

That the cost of said improvement to be assessed as provided by the city charter upon the property especially and particularly benefited thereby, and which is hereby declared to be all of lots parts of lots, blocks and parcels of land between the termini of such improvements abutting upon, adjacent or proximate to said Fillmore Street from the center of the block or blocks or tracts of land abutting thereon or proximate thereto.

That all the property included in said improvement district aforesaid is hereby declared to be Local Improvement district No. 83.

That the city engineer's assessment of the probable total cost of said improvement of said street is \$1,577.00.

That the cost of said Fillmore street improvement is to be assessed against the property in said local improvement district as provided by the city charter of the city of St. Johns, and on a pro rata basis.

Adopted the 27th day of August, 1912.
F. A. RICE, Recorder.

Published in the St. Johns Review August 30 and Sept. 6, 1912.
