Promotes Oregon Publicity

He knows the state—has lived here 34 years. Mailed 2,700,000 copies of his speech on Popular Government, to every State in the Union. He is not only a strong supporter of the Oregon System—he helped build it.

The failure to nominate him at the primary was regarded by Progressives everywhere as an astonishing example of ingratitude by the citizens of Oregon, and little less than a National calamity.

CAN WE AFFORD TO LOSE HIS INFLUENCE?
