# Salt From the

complications and suggest remecles, one point of paramount imtyranny, in as much as the zenith of the writers seems to be to devise some automatic strainer that will filter out just enough justice to have a pacifying effect on the restlessly oppressed.

Just how much justice will be needed and how to most safely guard against an atom in excess consideration of rendering an equivalent or of allowing freedom of industry. Such a course would be comparatively simple and void of complications, as any of the old tyrannical points of vantage so tenaciously clung at and excessively protected by the over-indulged profit extorter

is the national perplexity. The boundaries by which sla-very should be confined, and just what privileges and liberty slavery should be allowed to claim as its rights, was a perplexing problem to our forefathers until much application of thought revealed so much disaster that would result in the future from a continuance of so great an evil,

Until that unyielding, unwa-vering principle, RIGHT, so persistently focused itself on the mind of humanity that great greed stood a bleached skeleton, visible to all. As soon as it was recognized for what it was the voice of right cast it out and slavery followed in its wake.

It was no longer a question of of it. Compromise was no lon-

but rather, it is permeating the material with uplifting, embalm-ing spirit that wakes us to a con-shares, and have not the people Realms of Reason sciousness of what we really are, centered \$40,000 of their individof our true relationship to each ual power into the control of one other, the place we are intended man? Is that not concentration By A. Porter. Having zealously searched all articles appearing in the differarticles appearing in the differ-ent newspapers and magazines of America endeavoring to ex-plain the different causes of present day evils, solve their complications and suggest remecomplications and suggest reme-dies, having reviewed these arti-cles, one point of paramount im-portance is wonderfully avoided. In no instance does the sole mo-tive of the writer appear to be to

# In Our Ladies' Department

there are many articles of warm wearing apparel from the soft lamb's wool union suits to the heavy rough neck sweaters. From warm hose and felt house slippers to the latest in

crocheted head wear. We have stocked the D. M. C. cottons in colors and sizes, and have a very good assortment of Embroidery silks and patterns.

## The Men's Toggery Department

is showing the latest in Men's Slip-ons and the best Rain Coat to be had for the man who must be out in the rain constantly. The high top shoes we carry are made as waterproof as leather can be made. New arrivals are coming to this department and we are very much encouraged for the outlook of an exclusive men's store in St. Johns.

## In The Grocery Department

are all the things to make a Thanksgiving dinner an event from a Double Baker to Cranberries. Our grocery stock is always just as complete as the community can desire and we have been told time and again that our Grocery Department would be a credit to a town of twice the population.
