

THE GOLD BOND TRADING STAMPS

MONEY SAVERS

Our Stores Adopted the Gold Bond Trading Stamps because

the Trading Stamp issue is like many other things in business. STYLE for instance: something gets into the air and people demand style. The Trading Stamp craze is in the air. People are demanding them. We adopted the Gold Bond Stamps because when a book is filled there is no question as to the value of what you get.

It is simply \$2.00 in cold Money to You

And, again, no matter where you get your book or your stamps you cash them at our store when the book is filled just as you would cash a check. To get your prize for other stamps you must go to Portland, thus taking you on a trip you do not like and taking popularity and business from your home store.

Now then, if your home Druggist, Butcher, Theatre, Milliner, Furniture store, Candy store besides the lines we carry should give you Gold Bond Stamps with your purchases, your book would fill very rapidly and your return come quickly. We suggest that you do as you have done at our store, keep demanding the Gold Bond Stamps until your Butcher, your Druggist and others adopt that system.

All accounts including Grocery, Dry Goods and our Men's Toggery, if settled IN FULL in 30 Days are given the benefit of the stamps. Thus if your bill for January is \$25.00, you get 250 stamps. Or, if you pay cash for your purchases, a stamp is given for each 10c purchase.
