Swallow—Lessons in Telegraphy. An elementary course in the art of sending and receiving Morse telegraph signals.

Wilson—Bungalow Book.

Wilson—Man who came back.

The latest book of the author of the Land Claimers.

Inner Flame—Burnham. A pleasant, sentimental love story with a not intrusive Christian Science background.

Consolidated library of Modern Cooking and Household Recipes—Christine Terhune Herick, Marion Harland and a list of contributors which includes many of the famous chefs and cooking experts of the U.S.

The scope of this five volume work is shown by the fact that one whole volume is given over to the Modern Hostess, and one to vegetable and Dessert Recipes.

Vol. 3 contains Soups, chowders, fish, meats, poultry and game.

Vol. 5 includes chafing dish recipes, carving, beverages, mixing and serving drinks, toasts and speeches, menu terms in foreign languages.

Fancy Work: Pricilla Tatting Book.

Pricilla Cross Stitch.

Pricilla Colored Cross Stitch.

Pricilla Venetian Crochet.

Makers of History—Abbott.

Separate volumes on the great men of the ages, written in dramatic story form and well illustrated. The two just received are: Cyrus. "I am Cyrus the King." Such is the proud declaration that after the lapse of twenty-five centuries, from the tomb of the mighty Persian still commands our homage to its imperial inmate. Out of the realm of myth and fable his imposing figure emerges, but history records enough of him to allow his title of the "Great" to stand unquestioned. Cyrus, with all his treasure, went down before him, and "Great Babylon" could not withstand his arms. Great as were his achievements as a warrior and a prince, history, though encumbered with the deeds of the ages, still finds space to recite his nobility of soul.

Xerxes. No small part of the glory of Greece was won to the shame of Xerxes standing on the loftiest heights of human grandeur, he was hurled into unparalleled disaster, with the ruins of his vast army and the wrecks of his high fleet about him. History can show us no spectacle like the assembling of the army of Xerxes for the conquest of the insolent Greeks. All the pomp and splendor at the command of the mightiest of the eastern despots signaled its setting forth and a fleet to facilitate whose progress years had been spent in the construction of a canal, kept pace with the army. A few months, and army and fleet had ignominiously perished, and Salamis and Marathon had gone on the rolls of immortality.

Rose Books.

Sweet Pea Books.

Do not forget that these and all other gardening subjects may be had at the library.

February bulletins are ready for distribution.

Here is a message of hope and good cheer from Mrs. C. J. Martin, Boone Mill, Va., who is the mother of eighteen children. Mrs. Martin was cured of stomach trouble and constipation by Chamberlain's Tablets and five years of suffering, and now recommends these tablets to the public. For sale by all dealers.

"606" Now Improved And Modified FOR BLOOD POISON

It is one two years since the introduction of the NEW GERMAN REMEDY for BLOOD DISORDERS, and during that time I have administered this preparation in several thousand cases. I have given this remedy a severe test, and I can say without fear of contradiction that it is the greatest discovery of the age and the BEST REMEDY ON EARTH for Blood Poison, regardless of the stage of the ailment or the symptoms present. Don't believe the doctors who tell you otherwise.

I introduce it Directly into the Blood by the Intravenous Method. My equipment for the administering of this remedy is the finest on the Coast, and I give you the GENUINE GERMAN REMEDY in the RIGHT WAY. You come to my office, receive the treatment, go about your work as usual, and in about ten days' time all symptoms disappear. Why should you continue taking poisonous and other injurious drugs into your stomach for years when you can come to me and be cured?

WEAK MEN Don't despair. Science has at last found a sure cure. Animal serum (lymph compound) is the remedy that has never disappointed my patients. It is not a medicine, but extracted cells from young, vigorous animals, used by me to rebuild and vivify the human organs. Regardless of age. Don't persist in old-fashioned treatments, that always fail. Come and receive a Certain Cure.

AUTOGENOUS VACCINES Promptly eradicate chronic arthritic, prostatic and bladder diseases and rheumatism. If you have a chronic case you think incurable, come and be cured at My Risk. My Fees are Low and Prompt Results Guaranteed.

MARCH OFFERS

The Spring Cleaning of our Dry Goods and Grocery Departments is over now and we feel quite spick and span with new tinting, white paint and varnish.

We are getting ready to display many new things for spring.

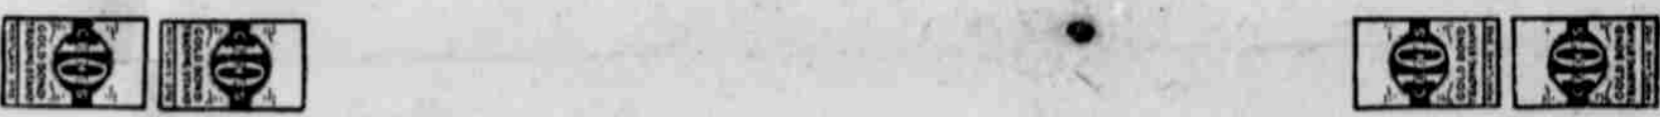

We will have new lines of Ladies' and Children's Dresses, the Van Dyke line of Underwear, many new things in piece goods and ribbons and hair dressing materials.

The Shoe lines for Spring are the most dressy and varied of any ever carried in St. Johns.

We have increased and changed all of our lines expecting increase of Spring business. Why should you not give your home store the opportunity of supplying your needs? Your community store cannot always increase stocks without increased patronage. Your property cannot increase in value unless the business district be built up. Show us a large well patronized store in any city and we will show you high price real estate and high rentals surrounding it.

Our homes are in your midst; our help belong to you; our profit is all spent in St. Johns. On a basis of equal prices for equality as compared with city prices, taking it month for month, we have a right to urge your patronage in all our lines.
