The Peninsula National bank was, we believe, the first banking institution in the Northwest to secure a supply of the new nickels that are being minted by the government. The Peninsula National secured them by special order. The nickels are rather pretty, although they resemble beer checks more than the old five cent spots.

A perfect town is one in which you see the farmers patronizing the home merchants, the laborers spending the money they earn with their tradesmen, and all animated by a spirit that they will not purchase articles abroad if they can be bought at home. The spirit of reciprocity between men and mechanics, tradesmen and manufacturers results every time in making the town a perfect one to do business in.—Contributed.

Birthday Party

The Loyal Friends (young married ladies' class) of the First Christian church of St. Johns gave Mrs. E. L. Green of 614 North Hayes street, a surprise birthday party on the eve of March 12th. The members of the class with their husbands and children met at 8 p. m. at the church, marching in a body to the residence, where a most enjoyable evening was spent in a social way. A number of games were played and readings given by Mesdames Keeler, Green, Lott, Messrs. Keeler, Johnson and Green. One unique feature of the party was the ladies wearing old fashioned gowns of the old popular creations, while some of the men were clad in the old home worn garments, giving a very vivid effect of an old time party. The long table was bountifully loaded in ye good old way with the best of edibles, which the class is getting famous for. The names of the old Patriarchal characters of the Bible and their wives were used in securing partners for the table. At a late hour the members departed to their homes, wishing Mrs. Green a great many more happy birthdays. Among those present were Mr. and Mrs. E. L. Green, Mr. and Mrs. Hodges, Mr. and Mrs. Keeler, Mr. and Mrs. Curry, Mr. and Mrs. Duncan, Mr. and Mrs. Kelley, Mr. and Mrs. Walker, Mr. and Mrs. Beam, Mrs. Lott, Mrs. Wm. Calhoun, Mrs. Coffey, Mrs. Davis, Mrs. Strange, M. B. Green, Rev. and Mrs. Johnson, Cap. and Mrs. Smith were invited guests. xx

Social Meeting

The regular monthly business meeting and social of the Philo Christo class was held last Tuesday evening at the home of Mr. and Mrs. T. J. Monahan, corner Smith avenue and Oswego street. Mrs. Althea Ogden was unanimously elected secretary, the resignation of our former secretary, Roy Beam, having been accepted at our last meeting. After the business session was over all took part in vocal and athletic contests. For the vocal contest each was given half the title of a song with which he was to find his partner. After all had found their partners, each couple took their turn entertaining the company by singing the song designated. Much amusement was caused by the harmonious duets. All took active interest in the various athletic contests, among which the most popular one was that of testing their strength with the electric battery. Refreshments consisting of popcorn balls and apples were served. At a late hour we departed for our homes, declaring this to be one of our best meetings this year, there being 59 present. Strangers and those having no church home are cordially invited to meet with us each Sunday at 10 a. m., corner Ivanhoe and John street. There will be some one at the door to greet you.—Reporter.
