## The Trip to Ridgefield

When the classic boat, Argosy, left the city dock Saturday last for Ridgefield it carried over sixty enthusiastic supporters of the James John track team, the spirits of whom the worst threats of the weather man could not dampen. After a short time the weather authorities evidently became discouraged, for at intervals the sun slid from behind the clouds and took part in the merry making. Everyone enjoyed the trip and the scenery, especially of Bachelor's Isle. The girls of the high school were thoughtful enough to have on hand plenty of good things for the hungry travelers, and on landing, the first thing that was done was to form a bread line. After several hours of sight seeing, track meet and promenading, the crowd again gathered at the boat and were treated to an excellent picnic dinner. A little after seven all the stragglers were found, and once more the merry makers were viewing the scenery, singing songs, and having a jolly good time. This account would not be complete without at least a mention of the snake dance, after the return, on Jersey street in celebration of the victory.

James John High added another star to their athletic crown Saturday when they won the dual track and field meet with Ridgefield High at Ridgefield, Wash. The weather was not the best, but the young athletes bravely carried through the program in spite of the showers. Out of the twelve members of the team from J. J. H. S. who made the trip, only four succeeded in winning points. In spite of this, the score was: Ridgefield 58, James John 64. Cyril Magone was the star of the meet with 26 points to his credit, while Basil Smith was a close second with 22 points. The following is a summary of the meet:

- 50 yard dash—Shobert, Ridgefield, first; Smith, St. Johns, second; Horst, Ridgefield, third.
- 100 yard dash—Murray, Ridgefield, first; Smith, St. Johns, second; Magone, St. Johns, third.
- 220 yard hurdles—Smith, St. Johns, first; Weber, Ridgefield, second; Jones, Ridgefield, third.
- 440 yard run—Thurmond, St. Johns, first; Murray, Ridgefield, second; Bronson, Ridgefield, third.
- 880 yard run—Thurmond, St. Johns, first; Murray, Ridgefield, second; Bronson, third.
- High jump—Magone, St. Johns, first; Weber, Ridgefield, second; Smith, St. Johns, third.
- Discus throw—Magone, St. Johns, first; Shobert, Ridgefield, second; Kelloway, Ridgefield, third.
- Shot put—Kelloway, Ridgefield, first; Magone, St. Johns, second; West, St. Johns, third.
- Broad jump—Smith, St. Johns, first; Magone, St. Johns, second; Weber, Ridgefield, third.
- Pole vault—Magone and Smith tied for first; Weber, Ridgefield, third.
- Relay race—Ridgefield.

Chief of Police Allen is some chicken doctor. A short time ago a couple of his favorite egg makers became indifferent in the matter of laying eggs, and the eagle eyed Chief soon discovered that their craws had become clogged and overburdened and that they were in dire distress. So he proceeded to remedy the defect in a most resourceful manner. Taking a knife and fork, presumably, he made incisions on the breasts of both and removed the fullness thereof. And now the hens are making up for lost time. In sixteen days one hen laid fifteen eggs and the other sixteen eggs.
