# Christmas Savings Club Suggestions FROM OTHER CITIES

CHRISTMAS SAVINGS CLUBS—such as we are conducting, are very popular in many other cities and towns in this and other States.

#### IN SEVERAL CITIES

100 or more members of a congregation have joined and will use their combined savings as a fund next Christmas towards paying church debts.

## IN SEVERAL TOWNS

The members of Sunday School classes have joined, and in each instance will club together and use the money for the purpose of buying the teacher a prsent.

#### IN OTHER TOWNS

Societies, Churches, Sunday Schools, Charity and other organizations have joined to save money for a specific purpose.

THE plan is an excellent one, and can be applied to a number of commendable enterprises. The small amount payable weekly into the Club can be spared by each person without inconvenience, and when a number of persons associate together for a special purpose the combined results of their efforts will be a large sum which may be applied as a Christmas offering or used in other ways for a good cause.
