## Local News.

DAN'S—That's all. adv  
Bond issues are not popular in St. Johns.

The Commercial Club is projecting big things these days.

Too bad there is not enough offices to supply each candidate.

Miss L. S. Perkins, teacher of elocution, 634 Windell street. ad

Mrs. Julia Marselliot, of Forest Grove, was visiting her sister, Mrs. John Jewson, last week.

Easter Cards, Booklets, Egg Dyes and Fancy Candies at the St. Johns Pharmacy. adv.

The Commercial Club dance to be held in the rink Monday evening, April 20th, is to be the greatest social event given here in a long while, so it is said.

The city of Linnton has been given permission to erect a fire station between the Germantown and St. Helens roads, the road master having examined and approved the site.

Farmers in the vicinity of West Stayton will plant 35 acres of Refugee wax beans this season for delivery to the the Salem cannery. The crop is expected to be highly profitable.

The Berean Class of the M. E. Sunday School will hold their next meeting at the home of Gladys Nolan, 1007 S. Gresham, Tuesday, evening, April 13. All members are urged to be present. Come and have a good time.

It was erroneously stated in one of the Portland evening papers that Geo. W. Munson, who was re-elected Councilman from the Second Ward Monday, was a prohibition candidate. Such was not the case, as Mr. Munson was the nominee of the three parties—Republican, Democratic and Progressive.

Jack Campbell, a former well known resident of St. Johns, was a visitor here the latter end of last week. He owns a fine ranch near North Plains and is getting along in first class style. He says that a two-story brick K. of P. hall is being constructed at North Plains, and that the town is growing at a rapid rate.

Mrs. Harbrige, of Fondulac, Wisconsin, who has been visiting Mrs. John Jewson, 918 E. Mohawk, the past week, and who has spent the past few months visiting in the western states, left for the East last Wednesday morning. She was delighted with the western climate, and especially that of Oregon.

There are over 500 unregistered voters in the St. Johns District. To accommodate all those who wish to register, Justice of the Peace Williams, in the Holbrook Block, will keep his office open every Monday, Thursday and Saturday nights until 8 o'clock. Books close April 30. Only twenty days more to register before the May 15 primary.

Some miscreant poisoned the fine bulldog pup owned by Alex Kerr, 919 North Hayes street, Wednesday night. A number of others have lately lost valuable dogs in the same manner in that neighborhood. The rascal who is doing this despicable work had better be a little careful in the future or he is liable to be arrested and punished as this crime deserves.

Under a recent ruling of the postal authorities, farm and garden produce may be shipped direct from producer to consumer when properly packed for shipment. This provision also includes farm and garden implements, castings, parts of machinery, etc. This should be of immense benefit to farmers within easy reach of towns or cities, as offering an outlet for fruit, vegetables, eggs, poultry and butter which have heretofore been of little value on account of excessive transportation rates.

That the wheat farmers of Eastern Oregon do not spend all their coin in the purchase of more land to grow more wheat is indicated by figures supplied by the automobile dealers in that section. Within the past six weeks buzz wagons to the value of \$98,000 have been furnished to Umatilla County alone and the other wheat counties have taken nearly as many. The wheat growers with big acreage find the automobile a necessity and they purchase them as a regular part of their business equipment.

Seated within the bodies of huge moths, flies and other insects, visitors to the Panama Pacific International Exposition may enjoy the novel sensation of flying about a gigantic candle 110 feet in height. This is to be one of the features of "Toyland Grown Up" the concession upon the exposition grounds at San Francisco, in which Frederick Thompson expects to spend \$1,000,000. It will be known as the "Gee Whiz Candle," consisting of a huge candle stick holding a burning candle of enormous size. Mechanically propelled areoplanes will fly about the flame of the candle, each car resembling an insect.

Strictly sanitary. — Gilmore's barber shop. adv.

Picture framing done at Portland prices at H. F. Clark's, the furniture man. Adv.

The Corona Orchestra was honored by the Rebecca Lodge at a social entertainment April 8.

A new list of Phonograph Records just received at the St. Johns Pharmacy. Get a catalogue. adv.

Miss Edna Rowan, a National W. C. T. U. lecturer, will be at the Baptist church April 22. A more complete notice next week.

The lecture and stereopticon views in the skating rink last Friday evening were entertaining and instructive. The attendance, however, was not nearly so large as the affair deserved.

The "Live Wires" of the Corona Club arranged for the baseball game Tuesday noon between the girls' and the boys' teams. The "shock" came when the girls won the game. The official accepted yell still echoes through the gull: "Corona, Corona, crown with wings, it's Room 15 that does the things."

Another activity of the Corona Club is the shorthand class, numbering over twenty members, under the supervision of M. F. Burghdoff, the manager of the club. Evening sessions are held every week. The Corona orchestra at present consists of twelve musicians, and rehearsals are held twice a week.

Additional mail service has been installed in St. Johns. An auto now comes from Portland at about 7:30 every evening and picks up the mail from the various mail boxes along the streets and takes it to the general office at Portland. This is an innovation that is quite pleasing to the people of St. Johns, especially to the business men, as it affords better service and more of it.

The Benedict Social club gave a delightful dance in the Eagle hall last Friday evening. Mrs. Day and Miss Long donated an abundance of delightful punch, which added considerable enjoyment to the occasion. Sneed's orchestra furnished the music, and it was of the usual high order. Everybody had a good time. Another dance will be given in the same hall Friday evening of next week.

I desire publicly to express my thanks to the voters of the Second Ward for the handsome vote I received for re-election as Councilman of the Second Ward, and wish to assure those voters who cast their ballots for me that I will endeavor to represent the residents of my ward in as fair and honorable manner as possible, and that I will be ready and willing at all times to serve them to the best of my ability. GEO. W. MUNSON.

The illustrated lecture given in the auditorium of the high school building last Friday evening by the Portland Railway, Light & Power company was attended by 300 or more, and they were all pleased with the entertainment afforded. The progress made in street car development since the past decade was shown, together with facts and figures relative to the business of conducting a street railway system. The lecture was highly instructive as well as entertaining, and the audience had a better insight into the business than ever before, and could better realize the difficulties that have to be met and overcome by trolley companies.

T. J. Monahan, F. P. Drinker and Mrs. L. N. Bellinger acted in the capacity of judges at a debate last Friday afternoon in Mabel F. Burghdoff's school room. The subject of the debate was, "Resolved, That the saloons shall be abolished January 1st, 1915." The debate was won by the affirmative 2 to 1. The judges were presented with nobby and attractive souvenirs of the occasion in the shape of large folders containing the enrollment of the class, and a poem by the class poet. They were embellished handsomely with illustrations pertinent to the subject by Opal R. Weimer, the class artist. The souvenirs are highly prized by the recipients for their originality and uniqueness.

Mr. J. D. Keliher was most delightfully surprised Wednesday evening, April 1, by a number of friends, the occasion being his 62nd birthday. Card playing was indulged in the greater part of the evening, Mr. Wright and Mrs. Jannessen being the winners in the end. Refreshments were served and the guests departed at a late hour, wishing Mr. Keliher many more happy birthdays. Those present were: Mr. and Mrs. J. D. Keliher, Mr. and Mrs. Patters of Portland, Mrs. Marselliot of Forest Grove, Mr. and Mrs. W. Ford, Mr. and Mrs. J. Jewson, Verner Jewson, Mr. and Mrs. D. A. Wright, Mr. and Mrs. J. A. Johnson, Mr. and Mrs. C. A. Manuel, Mrs. Jannessen, Rosie Jannessen, Mrs. W. D. Wright, Lewis, Earl and Mattie Keliher, and Hazel Peterson.

Where shall I get my hair cut? At Gilmore's barber shop. adv.

Housekeeping rooms for Rent. Inquire 535 South Jersey street.

For Sale—Silver Campine Eggs and early seed potatoes—R. L. Lamb, 613 Smith Avenue N. adv.

For Sale—6 room house close in; will take lot as payment.—619 E. John street. adv.

Sassafras for the blood—Nature's Spring tonic—at the St. Johns Pharmacy. adv.

Found—A lady's kid glove. Owner can have same by calling at this office and paying for notice.

Screens of all kinds and sizes made promptly and at reasonable prices at the Jersey Street Repair Shop.

The White House gives good rooms and good straight board for five dollars per week. Your patronage is solicited. adv.

Ambulance service, day and night. St. Johns Undertaking Co., successors to Blackburn Undertaking Co.; office Col. 527; Residence, Col. 299.

The Moose Lodge held a most interesting session last night in the rink. Fifty new members were added to the enrollment. Sports of various kinds were indulged in.

The home of Mr. Barron, on East Tioga street, was partially destroyed by fire last evening and the loss is said to be estimated at about \$500.

For Sale—Thoroughbred white Wyandott eggs, \$1.00 for setting of 15. Phone Columbia 270, or call at 1008 S. Gresham street. adv.

The Women of Woodcraft will give a 500 party in Bickner hall Tuesday evening, April 14, at 8:30. Come and bring your friends. Admission 10 cents. Refreshments included. adv.

For Sale—160 Egg St. Helens Incubator, cheap. Also, a few settings from choice matings White Leghorns, the greatest egg machines in the world. Come and be shown.—W. Lorenzen, 613 Myers street, St. Johns. adv.

For Rent—Modern five room house in St. Johns, close to business section; three rooms furnished complete for housekeeping. Yard and garden. All conveniences. \$18 monthly in advance. Call at or address this office.

Patent medicines and drugs at Portland prices—St. Johns Pharmacy. adv.

The Women of Woodcraft will give a Maypole dance in the St. Johns rink Friday evening, May 1st. Dancing at 8:30. Admission, 50c per couple; extra ladies 25c; spectators 10c. Everybody welcome. adv.

Jerome Whistler and Jack McNiven spent this morning washing the windows of the Calef Bros' store. As this stunt will be repeated each week during the summer, the boys will have lots of practice and wished to have this fact called to the attention of Centralia's young ladies.—Daily Hub, Centralia, Wash.

The Christian church will give a character social at Bickner's Hall next Monday evening, April 13. An exceptionally fine program will be given. The church orchestra will furnish music and refreshments will be served. Come dressed to represent some character. Admission 15 cents. The S. P. I. will sell candy at their booth.

Next Friday at 8 P. M. James John High meets Orient High in the last game of the basketball season in the High School gymnasium. A week ago these two teams met in a close game the score being 29 to 25 in favor of James John, on the Orient floor. A fast game is assured. Those from whom the lineup will be selected are: C. Kreuger, F. Bugbee and T. West, forwards; B. Wright, J. McGregor and F. Sundstrom, guards. E. Hiatt will probably play center. The admission will be 15 cents.

Editor Review: The election is over. The people have expressed themselves. Selections for city offices have been made. Surprises were in the ballot boxes, and no doubt there are some disappointed ones, but such things always happen in politics. In the new council will be some new material, along with experienced men. The new mayor has had experience and can guide the city aright. Let us all now forget the past and work for a bigger and better St. Johns. All shoulders to the wheel. D. C. LEWIS.

## NOTICE

The Treasurer of the City of St. Johns, Oregon, will redeem on May 1, 1914, the following outstanding Improvement Bonds: Numbers 119 to 143, inclusive. The said bonds will cease to bear interest after above date. Bonds may be presented for payment at the First National Bank, St. Johns, Oregon, or Treasurer's office. J. E. TANCH, Treasurer. Published in the St. Johns Review April 10, 17, 24; May 1, 1914.

## An Interesting Meeting

The Commercial Club had a most interesting meeting Wednesday evening, with President Bonham presiding. It was decided that an effort should be made to have the approach to the interstate bridge changed from Union avenue to Patton avenue, so that the lower peninsula might derive some benefit from the bridge. Resolutions were ordered drafted to this effect, which will be presented to the county commissioners by D. C. Lewis. Efforts are being made to make the Swee Pea Show, School Garden and Manufacturers Exhibits excel anything of a like nature that has happened in the past. Special efforts are being made to interest the children in sweet pea culture.

It was decided to make the club dance to be given in the skating rink Monday evening April 20th, the swellest affair that has occurred in the city for many moons. Deane H. Knowles, C. A. Fry, O. J. Gatzmyer, J. N. Edlefsen and W. M. Tower compose the dance committee, and they are making elaborate plans for affair, at which Rudd's seven piece orchestra will furnish the music. A committee composed of Perry C. Stroud, R. G. Brand, O. P. Woicot, J. N. Harney and C. B. Russell was appointed to endeavor to induce the promoters of the proposed new Portland street railway to extend their lines to St. Johns via Columbia boulevard.

G. Brand, S. W. Rogers and J. E. Hiller were appointed as a committee to provide ways and means for circulating petitions asking for a charter amendment giving the Port of Portland power to expend public money in dredging and otherwise developing Columbia Slough.

F. P. Drinker, J. N. Edlefsen, Thos. Autzen, C. H. Boyd and Dr. Gambee were appointed as a committee to investigate the feasibility of constructing a club building on a modest scale for club purposes, and commodious enough to hold dances and other entertainments therein.

A committee consisting of J. F. Gilmore, A. E. Dunsmore, S. W. Rogers, W. M. Tower and C. H. Boyd was appointed as a membership committee for April. The March committee secured eight new members. It is proposed that a new committee on membership be appointed each month, and the committee securing the least number of new members shall banquet the members of the other committees.

## Expresses His Thanks

To the Editor: I hereby desire to thank all voters, both those who worked and voted for me, as well as those who worked and voted against me. To those who voted for me, I wish to express my thanks for their good will and confidence, and to those who did not vote for me, for the responsibility, time and grief and worry they have spared me, as any one who holds a public office and has the welfare of the people at heart must and should feel the responsibility of the office they hold, and they must often neglect their private affairs to do justice to a public office. Also they often have their best intentions misconstrued, and you face a dissatisfied public or faction, as it is impossible to please all. I did not seek the office, and only consented to run at the request of many voters, and as the returns show who is the choice of the people, I wish to heartily congratulate the successful ones, and believe they

## Cheaper Water Rates

By virtue of a ruling of the Railways Commission, St. Johns will enjoy lower water rates. In an order handed down last Saturday, the rates will be materially reduced for some time at least. While in some particulars the ruling is not quite clear to the average mind, yet it is apparent that quite a little saving will be insured to the water patrons. Those who have heretofore been paying \$1.00 per month for water, in ordinary cases will get the same service for 90 cents. Those who have been paying the two dollar rate will get the same service for \$1.65, although in both cases more may be collected if an unusual number of faucets are used. Rates for sprinkling have been reduced to one dollar per month. Where meters are installed for domestic use a minimum charge of \$1.40 is allowed. The ruling carries with it a rebate for all who have paid in excess of the new rates since February of last year. While the rates are not nearly so low as the city council had attempted to establish some time ago, yet they represent quite a saving. Attorneys Stroud and Gatzmyer represented the city before the Commission, and it was through the activity of the former that definite action was first taken toward securing lower rates.

While the new rates may not be as low as some have expected, yet it was as much as the Commission found to be justifiable at the present time, taking into consideration all circumstances connected with the business. The Commission was in possession of all the facts, and it is presumed that the new rates are based entirely upon a fair and equitable basis, both in regard to the patrons and the water company as well. Twenty days time is given to the company to adjust itself to the new conditions.

## Time to Clean Up

Get busy on cleaning up your premises. April 20th is the day designated for removal of all debris, and it is important that all take up the matter in time and clean the premises of all accumulations of tin cans, and all other rubbish. Get it piled up neatly near the curb in barrels or boxes. A thorough cleaning up will do more toward exterminating flies than all the swatting that can be done. Following are a few rules that might well be observed in this connection:

- Aim to make every day a clean-up day.
- Banish the tin-can district from town.
- Clean up all back yards and alleys.
- Destroy that half-burned rubbish pile.
- Fine every property owner who has not heeded the mayor's proclamation for clean-up day.
- Give final official notice to those whose property has not been thoroughly cleaned.
- Have campaign against unsightly billboards.
- Interest every citizen in keeping the town clean all the time.
- Let your slogan be, "Do it for home, sweet home."
- Make request of council to enforce Clean-up-year-around.
- Next to godliness is cleanliness.
- Organize the children for beautifying of public grounds.
- Plant trees and shrubbery.
- Your city is you. Never forget that.

will, one and all, work for a greater and better St. Johns. Again thanking you, I remain yours very truly,  
H. O. BROWN.

SIX PER CENT LOANS, 6—Obtainable to buy, build or improve farm, ranch and city property or remove incumbrance therefrom. Special privileges and reasonable terms. For proposition, address: Finance Dept., 1527 Busch Bldg., Dallas, Texas. adv.

Note the label on your paper.
