

STATE PRESS COMMENT

On Candidacy of C. N. McArthur for Congress

Clifton N. McArthur, who made such an excellent record as Speaker of the House at the last legislative session, is a candidate for Congress in the Third District with a good chance of being the next Congressional representative from Portland.

Those who have been closely associated with Mr. McArthur know him to be a man absolutely fair and square in all his dealings, political or otherwise.

While McArthur is a young man, he is recognized as one of the ablest men of public affairs in the state.

Mr. McArthur is a man with a record of capable accomplishment. By dint of hard work, backed by ability and political sense, he has won his way to a leading position in state legislative affairs.

McArthur has a good idea of affairs in the state, is honest in his intention, capable of making a Congressman of worth to the district and to the nation.

Clifton N. McArthur, twice Speaker of the Oregon House of Representatives, and one of the cleanest and ablest young men in his native state, has announced himself a candidate for the Republican nomination for Congressman in the Portland district.

Polk county takes more than a casual interest in the announcement that C. N. McArthur is a candidate for Congress to succeed A. W. Lafferty.

Mr. McArthur has a good record in the Oregon Legislature. He comes from a fine line of people. He is a graduate of the University of Oregon and a bright, progressive young man with a very wide circle of personal friends throughout the state.

T. J. Kreuder's popular campaign for county commissioner, as one of the two who are to be elected this year, is putting him in the front rank of all the candidates for that office.

The trees have blossomed; the Violets have blossomed and the Roses are blooming.

The Easter Season brought out the creations of the Milliners; now to round out the season the men take their turn. Our Men's Toggery has provided a snappy line of Straw Hats; even indulged in a few Panamas with the hope that the business and professional men who afford such luxuries will patronize their home store.

And Shoes: We have the new Regal and Florsheims with the English Toes and broad wide heels.

And Shirts and Neckties. There is not a store on the Peninsula that has a snappier up to date line than our Men's Toggery.

The Ladies' Department is showing something each week in the new creations of Yardage Goods and this week we have received some new lines of thin Waists and House Dresses.

The Grocery and Crockery Departments keep pace with the times and the new things and keep up the supply of staples.
