DAN'S—That's all, adv
Miss Loodice Haecke of Portland was a guest of Miss Bessie Sellard the past week.

Mrs. E. J. Deedon of Portland is a guest of her daughter, Mrs. Thornton, on North Leonard street.

Jack McNiven came down from Centralia, Wash., the first of the week to see one or two of our pretty young girls.

Mrs. W. I. Chidester and daughter of Rose City Park, are in the city visiting her parents, Mr. and Mrs. F. W. Coffyn, at 716 East Buchanan street.

Mrs. D. J. Sellard and daughter, Bessie, left on Monday for Toledo, where they will join Mr. Sellard. They expect to make that place their future home. Their many friends wish them much prosperity and happiness in their new home.

Do not forget that the W. C. T. U. meeting next Monday will be held at the Library instead of the city hall. The subject will be very helpful: "How may we train ourselves to be religious educators," the paper by Mrs. Briggs; discussion led by Mrs. Cook.—Reporter.

It is said that a number of boys amuse themselves by smashing windows in vacant buildings in the northern part of the city. They had better be a little careful in the future or may have an opportunity to languish in the city bastille for a few weeks.

The residence of J. W. Barker, 983 Amherst street was totally destroyed by fire at about 9:30 Tuesday morning. The origin of the fire is unknown. Mr. Barker was at work at the time and there was no one in the house. The loss is estimated at \$1600 with slight insurance.

The S. P. I. class of the Bible school of the Church of Christ gave a fine Mothers' Day program May 10th, over 300 being present. Baby Day is to be observed this coming Sunday. A cordial invitation extended to all, especially mothers and babies.

At the meeting of the Loyal Order of Moose Thursday evening, a military company was organized as a branch of the order. S. L. Dobie was made captain. The company was organized under the direction of E. P. Bodley of the Portland lodge, and is composed of more than fifty members. The new company will participate in the Rose Carnival in uniform next month.

The Baraca class gave a pleasant social time last Tuesday evening at their rooms to their friends. Games were played and fruits were served, and all enjoyed the evening greatly. There were 35 present. The noisiest young man there was the reporter, and the quietest young lady was Miss Lucille Dickie. We invite all young men and ladies in this city who do not attend any other Sunday School to come to ours at 10 a. m. Sunday at First Baptist church on Chicago street.—Reporter, L. E. Wood.

The Portland Rose Festival dates are June 9 to 12, inclusive. The only change of importance in the program has been the complete elimination of Rex Oregon and the substitution of a "Queen of Rosaria" who will be sole reigning monarch during Festival week. The election of Her Majesty and her maids of honor is now on and the polls will be open until the night of Saturday, May 16. The queen and her court will be given a grand tour of all the principal coast cities prior to the opening of the Rose Festival.

May 9th the Loyal Women of the Christian church spent a very pleasant afternoon at the home of Mrs. J. W. Herwick, 702 North Seneca street, the occasion being her birthday. The home was finely decorated with roses and a dainty lunch was served, after which a social time was had. Many beautiful and useful presents were given. After wishing her many returns of the day, they departed. Those present were Mesdames Parker, Seeley, Basesy, Misner, McNiven, Vanalstine, Lear, Kelley, Flynn, Fairwell, Whistler, R. D. Powell, Olson, Carley and Fletcher.

Reports from nearly every section of Oregon indicate that the grain crop for 1914 will be the largest in the history of the state. Not only has the grain acreage been greatly increased, but weather conditions have been unusually favorable, and in nearly all districts the yield per acre will be larger than usual. Fruit reports from some sections are not quite as encouraging as grain estimates, but in most cases the loss from frost has not exceeded the annual thinning of fruit. A large acreage of new orchards will produce the first commercial crop this year, and it is estimated the total fruit yield will be far above that of last year.

Councilman H. M. Waldref has launched into the occupation of motoring picnic parties and others on outings and excursions to the country. He owns a first class auto of good speed, and he is a most careful and reliable driver. Any party of four or less desiring to spend a day on a fishing, picnic or pleasure excursion will be accommodated by Mr. Waldref at a very low price. Many of our people in the past have at times desired to secure some manner of being conveyed to the country, especially on Sundays, but were unable to find a proper conveyance except at a prohibitive price. Mr. Waldref has now supplied this need, and if he finds that one auto will not be sufficient to supply the demand, will add more to his equipment. So if you want to make a trip or excursion, see him about it.

People should be careful how they address letters for delivery in the city of St. Johns, especially so since the auto service for picking up the evening mail has been established. Many letters to parties in this city are addressed "city" instead of "St. Johns." Hence such mail is picked up in the evening and taken to the general office in Portland. Those addressed to St. Johns are returned here for delivery the first thing in the morning. Those addressed to "city" are held in Portland until the carriers discover that the mail does not belong there. There have been cases where letters have been meant for parties in St. Johns but addressed to "city" that have gone to Portland, and not gotten back for almost a week. It is not the mail officials' fault, but entirely the people's. So if you want a person in St. Johns to get a letter, don't address it "city." Make it St. Johns, Oregon.

George M. Hyland, the silver tongued orator of Portland, and a man who has given much of his life to civic improvement and the betterment of conditions in and around Portland, gave a splendid talk before the Commercial Club at its regular monthly meeting Wednesday evening. The object of Mr. Hyland's remarks was to arouse interest and public sentiment toward having the approach to the Interstate Bridge changed from Union avenue to some other street on which an exclusive franchise for one street car line does not obtain. He had maps to show the advantages of a direct approach over the detour one to Union avenue, and told how a common user approach would benefit and how an exclusive approach would be detrimental to the interests of both states. The object he desired to attain was a reconsideration of the question by the County Commissioners, and permit a fair hearing on the merits of all streets suitable for approach. His remarks were listened to with a great deal of interest, and a resolution was adopted unanimously asking for a reconsideration of the question, and a committee will be appointed by President Bonham to present them to the County Commissioners personally. Mr. Hyland stated the matter rested entirely with Chairman of the Board Holman, as the other two Commissioners had committed themselves on the proposition. A representative of the Overlook Improvement club was also present and made a few remarks favoring a change in the approach to the bridge, and said that his club was to take the matter up with the Commissioners Thursday morning. Seven new members were added to the enrollment of the Commercial Club.

Annual Conference

The annual conference of the Women's Foreign and Home Missionary societies of the United Evangelical churches of Oregon and southern Washington which was attended by 25 delegates, was brought to a close at St. Johns United Evangelical church Sunday night by an address on "Practical Experiences in Missionary Work" by Rev. Lyle J. Beebe, a missionary returned from Laos, Siam. During the four days conference the missionary societies of the other local churches sent fraternal delegates and members of the congregations attended. Sunday night the M. E. church dismissed its services and the congregation attended the Beebe lecture in a body. Sunday morning Mrs. G. M. Thompson of Salem, who was reelected recording secretary, delivered the annual sermon on "Labor, Liberality and Love."

Mrs. Myra Stauffer of Hillsboro, who presided and was reelected president, delivered the annual address Thursday on "General Activities in the Home and Foreign Field." Friday afternoon a round table discussion of different phases of the work was held by delegates. Mrs. Galloway was chosen president of the Mission band.

A missionary entertainment of pantomime, recitations, songs, etc., was given Friday evening by local children under the auspices of the missionary societies of the local United Evangelical, Baptist, Christian, Methodist and Congregational churches. An address was given to the young people Saturday night by the first vice president-elect, Mrs. Rev. C. C. Poling of Portland.

Mrs. Rev. A. A. Winters of Salem, who spoke Saturday afternoon on "Gleanings From Africa," suffered a nervous breakdown, and has been at the parsonage on John street in a rather serious condition.

W. R. C. Have Good Time

The W. R. C. entertainment given May 7th was of unusual interest, from the fact that so many outsiders took part showing a growing interest in our order. While the Corps is growing rapidly, we have room for many more. One of the pleasant features of the occasion was Miss Alice Brown's song and music furnished by the Corona Orchestra.

The W. R. C. wish to thank all those who assisted in the entertainment, especially Mrs. Asper for her efforts, and all those who gave financial aid. Fifteen cents is not much, but the combined amount was a good sum, which was very acceptable just now, as we are getting some more memorial badges for the Old Boys, and there are so many ways we could help them if we had the means, for our object is: "To especially aid and assist the Grand Army of the Republic and perpetuate the memory of their heroic dead. To assist such Union veterans as need our help and protection, and to extend useful aid to their widows and orphans."—Press Correspondent.

The combined commercial bodies of Coos County have decided to erect a building at the Panama Pacific Exposition. The lumber mills of the county have agreed to furnish all needed wooden material, the railroads will transport it to California free of charge, and the county court and the citizens are expected to provide the necessary funds, about \$15,000, to pay for collecting and installing the exhibit.

The Salem Cherry Fair will be held June 25-27, inclusive. It has been decided to hold the show at the Court House grounds, and that in addition to cherries, there will be exhibits of small fruits.

HIGH SCHOOL

Items of Interest Regarding School Doings

The organizations among the students have helped a great deal in the past year, each in its particular way, to interest pupils and parents in the work of the High School. The Athletic Association has aided in developing enthusiasm and spirit in all the sports that have been taken up. The students, being interested in the sports, it is most natural that the patrons of the school become interested. Like the Athletic Association, the Hiak Klatawah Club helps in the same way; all the girls of the High School are eligible as members and most of them belong. The hikes are to be continued, for one and all have enjoyed the long and short trips that have been taken, and expect to go on others soon. Although the Dramatic Club has helped in a different way, it has done its part in bringing the students closer together. The entertainments given by the club have been hailed with delight, showing that the students enjoy them and are looking forward to others. Last, but not least, the different class organizations have helped in their way to bring the students together. They make possible in the High School a social life which is most pleasant. They have entertained one another in many ways, showing their ingenuity in making and carrying out plans of entertainment. The class organizations bring the students into social contact more than any other organization in the High School. The Senior Class is now preparing for their farewell parties and much is expected of them because of their previous successes.

"Her Friend, the Enemy," the Senior Play, is progressing rapidly and it is expected that it will be produced very soon, although as yet no date has been definitely decided upon. It is a war drama in four acts, which must, without doubt, interest every American. The plot is most exciting, being a story of the Civil War time, with Massachusetts and Virginia the scenes of action. Along with the very dramatic personae, Diana, Jack and Frank, are the interesting Aunt Chloe and Lige who afford no end of fun while they continue to scold each other. The cast of characters is as follows: Captain Jack Wernbrook, U. S. A., who holds honor above all else, Clarence Krueger; Frank Fleming, a scapegrace; Frank Bugbee; Colonel James Burton, C. S. A., with strong convictions. Everett Smith; Lieutenant Berkeley Burton, C. S. A., his son, Frank Wright; Zebediah Jenks, Yank to the backbone, George Hufford; Lige, a negro servant, Wilbur Bellinger; Diana Burton of Richmond, Beulah Beam; Addie Jenks, Zebediah's daughter, Maggie Dickie, and Aunt Chloe, Lige's better half Lulu Day.—Reporter.
