ST. JOHNS REVIEW

Special Edition by the Juniors of James John High School

The Juniors as an intermediate class are generally overshadowed by the seniors and the freshmen, but their place in the school is no less important. They are the bridge between the two extremes, and their opinions and activities are of great interest to the students of both classes.

Literary

THE DIARY OF PRINCESS.

The diary of Princess, who has left us for the summer, is a source of great amusement to the students. It describes her adventures in New York, where she has been attending fashion shows and social events. Her experiences are both enlightening and entertaining, and her candid description of life in the big city is a welcome relief from the usual school gossip.

The Classrooms

THE ROLLING ROYAL.

The Royal, a publication written by the seniors, is a collection of humorous and thoughtful essays. It offers a glimpse into the minds of the upperclassmen, and its diverse topics include literature, history, and current events. The Royal is a must-read for anyone interested in the perspectives of the older students.

The Senior Class

THE DRAMATIC SOCIETY

The dramatic society has been十分 active this year, with several productions scheduled throughout the fall. Their latest play, "The Importance of Being Earnest," has been met with critical acclaim, and the cast has been praised for their talent and dedication.

The Library

THE LIBRARY

The library gladly accepts donations of books, and we encourage all students to contribute to the collection. The library is a valuable resource for research and learning, and we strive to provide a comfortable and stimulating environment for studying.

The Athletics

FOOTBALL

Last year's football season was marked by many exciting games. The team finished second in the league, and we are looking forward to another successful season this year. We hope to see many community members at the games, cheering on our students and supporting our team.

The Alumni

THE ALUMNI

The alumni have been十分 active in recent months, with several events planned to celebrate their achievements and connect with current students. We look forward to their continued support and engagement with the school.
