We are bound to be popular; all the stores, big and little are having "Clearance Sales," why not have one in St. Johns?

To carry over stock from season to season entails a loss at last.

This sale is put on to take the loss now and to give our patrons the benefit of goods that will remain on the shelves till next season unless we cut the prices. To get you into the store for other purchases we offer a number of staple articles at great reduction.
