Mayor Muck has shown admirable judgment and fair mindedness in retaining all the old appointive officers. He realized that they have all been performing their duties in an excellent manner, and that to make a change for the short time St. Johns has to live would not be beneficial to the city. The po-lice department, with John Poff as chief, have kept the city in most orderly condition. It has been repeatedly said by visitors to our city that St. Johns is the cleanest and most moral city that they have discovered in all their travels. And it is true. The records show less crime and fewer arrests than in any city of its size in the United States, is is said. This is due in large measure to efficient police service. Chief Poff is a man who is manifestly just to all. He treats one and all alike, and executes his duty without fear or favor, and he is ever on the job. He is a man of sound judgment, careful, faithful and thoroughly competent. Many dissolute persons as they float in here have been ordered to leave the city, which is considered better policy than to arrest and fine them. In this way undesirable characters have little opportunity to make

Jones, assistants under Mr. Poff, are also efficient and and make most excellent police officers. It would be a most difficult thing to determine how much crime has been prevented by having a faithful, and efficient police force. Rough characters gener-ally find out how a place is po-liced before attempting to commit depredations, and that the reason St. Johns is given a wide berth by them. The people of St. Johns in general will feel well content if the city of Portland, after merging has taken place, will continue Chief Poff and his assistants on the police force in St. Johns.

#### **Good Ball Game**

The North End Champions beat the Christian Church April 17th 11 to 9 at the Hill grounds, with Skinner Marlett pitching for the losers and Battling Nelson for the winners. Vet. Phillips relieved Marlett in the eighth after 15 bingles had been made off his delivery. Skill Larson twirled the last three innings for the champions. The feature of the game was Lar-son's home run off the second ball thrown, the ball going over the horizon, down towards Gatton's cemetery. Poff, Marlett and Phillips starred for the los-ers with the stick, while Skiil Larson, Parson Nelson and D. Larson for the North End. Ty Larson was the batting star of the day. His double in the seventh with the bases full won the game. In addition to this strategic poke, 3 other drives off the first balls thrown spelled defeat for the Sunday School. Gene Harold was the mainstay in the field for the losers, while Slick Maher, Jimmy Tufts and Leapy Lind gathered in the hot ones for the champs. Following is the North End lineup: V Larson 1st, Lind 2nd, Nelson p. D. Larson if, Tufts m. Parson ss. Maher rf, Secrets, 3rd, Phillips c.-Reporter.
