On July 5, Portland will entertain a distinguished party of business men and financiers from China who will visit this section on a general business survey of the Pacific Northwest. Oregon's Oriental trade in grain, lumber and manufactured products has been increasing in importance for several years, largely as the result of a visit of prominent business men to China, and the visit here in July will be in the nature of a return call.

The Knights of Pythias and their friends had a most enjoyable time in Bickner Hall last Friday evening, in which dancing and speech making were the leading features. Frederick S. Attwood, three Grand Chancellor of Minnesota, made the finest and most interesting address ever heard in the hall, and was thoroughly appreciated by the assembled crowd. Many old time dances were in evidence, as well as the modern ones, and the occasion was thoroughly enjoyed by all.

The people of St. Johns should feel proud of its paid firemen, Messrs. Mackey and Peterson. They are always on the job, and when an alarm is turned in, it is surprising the celerity with which they get the truck out and reach the scene of the conflagration. And when they get there they know just what to do and how to do it to get the best result. The fire department as a whole is a credit to the city, and have saved many thousands of dollars from going up in smoke.

A movement has been started for the completion of the works of the Portland Cement Company at Oswego, which has been at a standstill for nearly three years. The buildings are ready for the machinery and the materials are at hand from which to make a high grade of cement. It is stated that recent sales of stock have been made amounting to over \$300,000 and that the company has \$50,000 on deposit. If the plant is put into operation it will be the only cement mill between Bellingham, Washington, and points in California.

The plan inaugurated about three months ago by the Portland Union Stockyards whereby the school children of Oregon, Washington and Idaho, by signing a 10 month note at 6 per cent, could receive high grade sows already bred and treated for cholera, has met with such unexpected success that it has been necessary to call a conference of the raisers of stock of that class to devise means for filling all the applications for stock. It is believed this campaign will be nation-wide in its effects on the industry.

Monday evening, Miss Mary Gagen, one of St. Johns' most beautiful girls, and the oldest daughter of Mr. and Mrs. Henry Gagen of this city, was united in matrimony to Mr. George Haytias, a well and favorably known young man of St. Johns. The wedding was solemnized by Rev. Joseph O'Brien, at the home of the bride's aunt, Mrs. T. P. Murphy, 365 Halsey street. The bride looked charming in her wedding gown of white voile, and wore a wreath and veil. She carried a bouquet of white carnations. Mr. Michael Finn was best man. The bride was attended by her two sisters, Misses Bessie and Helen Gagen. Miss Bessie wore a pale blue voile, and Miss Helen wore a pale pink orsandy. Each carried an arm bouquet of pink carnations. The house was beautifully decorated for the occasion. The happy young couple will make their home in St. Johns, the groom having provided a cozy home of his own at 628 Willamette boulevard.—A.

The city of Linnton voted to merge with Portland Monday by a vote of 169 in favor and 81 against. Portland will probably vote on taking Linnton into that city at the June election. The Portland Commissioners, it is said, will not order the measure on the ballot unless petitions requiring them so to do are circulated and properly signed, which will likely be done. Linnton by a vote of 150 to 99 carried a \$50,000 water bond issue. Judge J. E. Williams helped to canvass the vote.

A. C. Gesler of Centralia, Wash., was a St. Johns visitor this week.

After satisfying themselves that St. Johns' financial condition was exceptionally good, the Portland Commissioners have ordered that the question of merger be placed on the ballot at the June election.

S. W. Rogers presented the editor yesterday with two eggs that were exceedingly large and which were laid by a couple of his last year's pullets. One measured 6 1/2 x 7 1/2 and 6 1/2 x 7 1/2 respectively and each weighed four ounces. When it is known that eggs usually average about 25 ounces to the dozen, it will be realized that these were unusually large.

The 67th annual session of the Willamette Baptist Association will be held May 4-5-6 at the Grace Montavilla Baptist church. The following delegates were appointed to represent the St. Johns Baptist church: Rev. and Mrs. E. P. Borden, Mrs. L. H. Shaw, Mrs. A. Foul, Mrs. Paul Behnke, Mrs. J. H. Branaman, Miss Hazel Evans, Miss Vida Evans, Mr. S. J. Holt, Mrs. Julia M. Parker. Everybody invited.

Rev. A. P. Layton, the new pastor of the United Evangelical church, and his family, were welcomed to St. Johns Monday night at a reception tendered them by members of the congregation and townspeople in the main auditorium. Rev. J. A. Goode, his predecessor, who was forced to resign because of failing health, delivered the address of welcome and the new pastor responded. Readings were given by Miss Cordelia Cross, Mrs. G. M. Hall and Miss Helen Crouch. A social in the church basement followed. The new pastor is a veteran of the Platte River, Neb., conference. Because of poor health he moved to Everett, Wash., last fall. He has recently conducted evangelistic services at Everett, Vancouver and Vader, Wash., and at the Wichita church. He joined the Oregon conference a few weeks ago. With Mrs. Layton and their four children he is now domiciled in the parsonage, 109 West John street.—Journal.

I HAVE

An Electric iron I want to talk about—No, I want to shout about it. Listen! An electric iron for the price of \$2.85 guaranteed forever—get that, guaranteed forever, and it means just that. All in nickel and made by the oldest manufacturers of electric heating goods in the United States.

Now let me tell you that an electrician knows an iron when he sees it, and I tell you this is some iron. The makers of it, the American Electric Heating Co., have been making irons a long time and have sold millions of them and I have been repairing irons for six years, guess I've repaired at least 1000, maybe 2000 in that time, but I've never repaired or heard of this make of an iron being repaired. How's that?

Let me tell you some more. Buy your electric goods of an electric man and you won't go wrong. He knows what you want. Again, the best iron in the world for \$2.85.—E. A. Gensman and Son, 217 N. Jersey.

Lee Cormany left this week to accept a responsible position near Chehalis, Wash. His many friends here were sorry to see him leave. We understand that Ben Hoover will act as fire chief during his absence.

Mr. and Mrs. C. H. Derrie entertained the Jolly "Steen club" in a pleasing manner Wednesday evening. The game of 500 was the principal diversion, Mr. and Mrs. A. W. Markle winning the first prize, Mr. and Mrs. W. R. Evens the second prize, and Mr. and Mrs. Thew the guest prize. Delicious refreshments were served.

Two fires took place Wednesday in St. Johns. The first was a chimney fire at the home of Chas. Muck on Oswego street in the morning, but it was extinguished without doing any real damage. The second was at the home of John Jaques at the corner of Hudson and Mohawk streets. This was also a chimney fire, but had gained more headway than the other fire, and about \$50 damage had been wrought before it was extinguished by the chemical. Owing to the high wind prevailing at the time, it was exceedingly fortunate that St. Johns possessed an auto truck and alert firemen, otherwise much damage would undoubtedly have ensued.

Mr. Henry Adam Harrer and Miss Myrtle May Worthen were united in marriage Thursday, April 29, 1915, at 6 p. m. at 607 Hudson street, St. Johns, the home of the officiating clergyman, Rev. G. W. Nelson. They were attended by Mr. and Mrs. Charles E. Andrew. The groom was for a number of years in the employ of the O. W. R. & N. Co., but is now a member of the Andrew & Harrer contracting firm. The bride is a daughter of Mrs. A. M. Worthen of 1465 Killingsworth avenue, Portland. She has been a faithful operator for the Pacific States Telephone Company for over seven years. She is a charming young lady and is held in the highest esteem by a large circle of devoted friends. The happy and worthy young couple will begin housekeeping at the Emerson Apartments on Williams avenue and Emerson street, where they will be at home to their many friends.
