

### St. Johns' Roll of Honor

Following is a list of those from St. Johns who have enlisted since the war started and who are now at the different training camps. We probably overlooked some, as it is exceedingly difficult to learn them all. So if you know of any overlooked, will you kindly furnish their names, so that they may be added to St. Johns Roll of Honor.

Taylor M. Whitmore, Athill W. Irvine, Deane H. Knowles, Earl H. Knowles, Theodore Bugbee, H. Byron Poff, Armand Olin, Claude E. Harris, Russell Poff, R. P. Galloway, Chas. E. Garlick, Murne Donaldson, Glenn Haskell, Ray Clark, Benjamin Swan, Hubert Martin, Leon Sorber, Donald Strickland, Lowell Anderson, John Lovelett.

The hazy weather at present may have its drawbacks, yet it screens the earth to some extent from the sun's hot rays, and makes the atmosphere much more cool than otherwise would have been the case. It also serves as a partial protection to the gardens.

Frank Albee is spending a few days with his parents in East St. Johns. Since last May he has been engaged in the fishing industry at the mouth of the Columbia. He says the prices received by the fishermen is greater this year than has ever before been known.

Dr. Jones, the well known and popular chiropractor physician, had the misfortune to strike his foot against a nail in a plank that was submerged while in the river bathing last Saturday evening. Quite a gash was inflicted upon one of his great toes, which occasioned a distinct limp in the doctor's gait for a day or two.

Mrs. G. H. Lynn of Hood River, spent a few days in St. Johns the past week. Her daughter, Miss Georgia, who has been spending the summer with her grandmother, Mrs. Byerlee, on West Richmond street, returned home with her mother in order to enter high school at Hood River. The schools there opened Monday of this week.

"The Rich Young Ruler," will be the subject of the sermon at the Methodist church Sunday morning. At 7:30 p. m. the Epworth League and church service will be merged into one glad get together rally for both old and young. It is intended to continue during September this union of the league and church in one inspiring service under the leadership of the young people and pastor. Come and see.—Reported.

The Columbia Park team defeated the Hi-Bernians in a hotly contested ball game at Columbia Park Sunday afternoon by a score of 2 to 0. It was a pitcher's battle, the Columbia Park twirler allowing only one hit while the opposing pitcher was touched up for three. The Hi-Bernians were said to be strongly reinforced by members from the city league. It was reported by Manager Tindall to be the best game of the season.

"Germany is rushing straight to ruin. She is going the limit in wrong doing. It's like the typesetter." The speaker was William Dean Howells. "A typesetter once said to me in my father's printing office in my boyhood: 'Will, how do you spell 'graphic'—with one 'f' or two?' 'Well, if you're going to use any 'f's' Jim, I said 'I guess you might as well go the limit.'—Ex.

City Commissioner Bigelow, of the fire bureau, will recommend the granting of special permits to the Union Oil company for the erection of two new oil tanks at Linnton. The oil company's plant was established before Linnton was annexed to Portland, and a Portland ordinance prohibits the erection of large tanks within the limits of the city. The company, accordingly, requested exemption from the provisions of the ordinance. The larger of the proposed tanks will hold 6000 barrels of oil.—Portland Daily. Permit granted Wednesday.
