By F. J. Kupfer. It is amusing to hear Ex-Governor West talk about resigning from the contest as Democratic candidate for United mentioned candidates have any idea of granting the Governor's And a guard of brave Belgians any more intention of resigning than a rabbit. It he is so sincere in his patriotism and loywinning the war, why did he put himself up as a candidate for the nomination in the first place? The trouble with Gov. West is, he wants to beat Mr. Stanfield at all hazards at the primaries. We have as high a regard for Senator McNary as we have for Mr. Stanfield, but we don't like camouflaging; it's fair play that" Good Sports" are usually in the habit of in-dulging in. "Good Sports" are at all times willing to take a chance. Supposing Gov. West should go before the public and say "let me regulate the affairs of the Republican Party; they don't know how to do it. I am Non partisans. Appoint me what I have done for the State of Oregon, and if you don't appoint me, I will see to it that no one else gets it without my consent." Why don't he go to his brother-in-law and say to are trying to take a job away from the "Old Man," when you have a good one already?" Why should our friend Lafferty "but" in "on McArthur's territory?" But Lafferty can't help running. he is so used to it, he can't help it. Gov. West might just as well ask Ralph S. Explain New Wheat Ruling to Thousands of Customers-Insures Greater Food Saving.

Grocers of the nation have accepted enthusiastically the 50-50 basis for the purchase of wheat flour and are doing their utmost to explain the new regulation to the housewife. This ruling by each purchaser of wheat flour to buy one pound of cereal substitute, one kind or assorted, for every pound of abroad might be assured of an adequate supply of wheat to meet their vital needs. This supply must come from our savings because we have already sent our normal surplus.

"Cornmeal, corn flour, edible corn starch, hominy, corn grits, barley flour, pointo flour, sweet potato flour, soy bean flour, feterita flour and meals, rice, rice flour, oatmeal, rolled oats and buckwheat flour."

Some confusion has resulted on the part of the consumer in construing this "50-50" ruling to mean that an equal amount in value of substitutes must be purchased with wheat flour.
