"TIS FREEDOM'S CALL—LEND YOUR ALL"

—Florence B. Hoyt, Portland

This is Oregon's official slogan—"Tis Freedom's Call; Lend Your All"
Defend yourself. If you can't go across to fight, you can do the next best thing by investing in Liberty Bonds
to keep your boy—your neighbor's boy—on the firing line
To Protect Your Country
To Perpetuate American Freedom
To Keep the Demon Hun From Your Door.
We can't act too quickly. The danger is imminent. We will be tardy at best. Don't stop to think, any more
than you would stop to think whether to strike back if you were threatened by an assassin.
Will you jeopardize your liberty by failing to do your duty? He who hesitates is most assuredly lost.
All that your forefathers fought and died for is lost. All that the patriots of '65 fought for is lost.
This is your great opportunity. Use it and
Take your place as a real American.

"THE LIBERTY BOND IS VICTORY'S WAND"

—By H. E. Allen, Hillsboro

SUBSCRIBING for Liberty Bonds does not mean giving anything. It does not mean even sacrificing—unless
you call it that to spend more needfully here and use more heedfully there. It means safe, sane, sensible, substantial
INVESTMENT, backed by the best security in the world—our whole United States, and from which you will receive
reasonable income in INTEREST.
Compare this degree of patriotism with the kind that is taking our sons, brothers, husbands and fathers
across the seas to probable hardship and possible death.
The balance is in their favor if you were to mortgage your entire financial future in order that they may be
backed up with those supplies which represent the means for both PREPAREDNESS and PROTECTION.
The third Liberty Loan is at hand. Don't wait to be personally solicited for your subscriptions. Go to your
bank and VOLUNTEER YOUR DOLLARS.

LIBERTY LOAN COMMITTEE.

HARRY LAUDER'S ADVICE

Harry Lauder is being serious these days. The famous Scotch comedian
is subordinating his comedy to the all-embracing demands of war. Along with
his work for his injured Soldiers' fund and the Y. M. C. A., Lauder is making
an earnest appeal to Americans to prepare for the next Liberty Loan. General
subscription is the theme of Lauder's message. Here is what he says:
Liberty is the dearest word in any language. It is the thing the
Germans are fighting to take away. It is the one big thing we must fight
to keep.

What have you done to help win the war? What are you doing to
preserve liberty?

Every Sunday 500,000 Germans in the United States sing songs of
pulling the trigger; they are talking of you—of the United States. What
are you doing to do about them?

Right now our answer must be—BUY LIBERTY BONDS! We have
given that answer once, twice already. But we must make it again and
again as need is. We must turn our dollars into silver bullets. That is
the way we can become shareholders in the Bank of Humanity. Our part
is to provide the wherewithal, since we can't do what the boys out there
are doing.

Back in France I saw battalions of young fighters marching along and
chanting a song—any old song—right into the mouth of death. They knew
where they were going. They were fighting to save LIBERTY. And they
are calling on you to help them, you back here.

Our part is easy compared with theirs—but it is OUR PART and it
must be done. Put your money into liberty supports. Sign up as share-
holders in humanity's bank.

There Is No Monopoly

in the packing industry.

Swift & Company, al-
though the largest packer,
handles not to exceed
one-eighth of the total
meat production of the
United States.

The five large packers
do not handle to exceed
one-third of the total meat
production of the United
States.

Swift & Company is not in
combination with any other
packer or packers to control prices.

There is very active compe-
tition in the buying of live-stock
and equally keen competition
in the sale of dressed meats and
by-products.
