**FOODS TASTE BETTER COOKED**  
—TOBACCO TASTES BETTER  
TOASTED

Since the day of the first man, who  
liked his meat raw, civilization has  
learned a lot about the scientific treat-  
ment of the things we eat.

Naturally none of us would now  
prefer to have our meat raw, our po-  
tatoes as they come from the ground,  
our coffee unroasted.

And nature itself shows the great dis-  
covery recently made by The American  
Tobacco Co.—that tobacco tastes  
better TOASTED!

This wonderful new idea—simple  
like all great inventions—was first  
used in producing the famous LUCKY  
STRIKE Cigarette—made of toasted  
Burley tobacco.

Burley has a mellow flavor, entirely  
different from the tobacco usually  
used for cigarettes. It is a pipe to-  
bacco and LUCKY STRIKE Cigarettes  
taste like a pipe.

## FARMERS! THIS IS YOUR WAR. BUY LIBERTY BONDS

Success of Teutonic Arms Spells  
Despoliation for Ameri-  
can Producers

Let us think for a while how the  
war concerns the farmer.  
We went to war with Germany  
partly because the rulers of that  
country refused to let us send to  
Europe our ships laden with grain  
and cotton. They sunk the ships and  
cruelly murdered our sailors. Now  
suppose we allowed them to stop all  
our shipping, where would you be?  
None of your goods would be sold  
in foreign countries, with the result  
that you would get nothing like the  
prices which you get today. This war  
is being waged partly for your goods.  
You must get fair prices for your goods.

What is going to happen if we  
lose this war? Prices of farm pro-  
duce will drop; the Germans will  
impose taxation upon you which will  
cripple you for the next twenty years.  
Worse than that, if the Germans get  
over here, they will treat you in just  
the same way as they have the farm-  
ers of France, Belgium and Italy. In  
these sections farm houses have been  
shot to pieces, crops wasted and  
burned, even fruit trees chopped  
down, the cattle stolen, the men sent  
into slavery to work for German  
masters, their women ill-treated in  
ways that cannot be talked of in  
print, their little children have had  
their hands chopped off in order that  
they may never fight or do any more  
useful work again.

You may say "such things will not  
happen here." They said this in  
France, in Belgium and in Italy. Such  
things will happen here just as sure  
as you are alive, unless we smash  
the Germans so utterly that they are  
unable to reach this country. The  
German fleet and the German army  
will take just one week to get here  
if we are beaten. They have made  
up their minds that America shall  
pay.

Is there a farmer who will stand  
forward now and say, "This war does  
not concern me?"

You have money that you do not  
need at present. Loan it to the Gov-  
ernment at good interest; when you  
want the money back again, you can  
borrow on your bond, or sell it. Uncle  
Sam will take care of your money  
until you need it and pay you interest  
on it.

Go and buy a Liberty Bond to-  
morrow.

Don't be a slacker, and don't fool  
yourself with the idea that you are  
too far away from the war for it to  
hurt you. Remember 1914, when the  
Germans upset the world's shipping,  
and you took what you could get for  
your products.

Think of the twenty years starva-  
tion prices ahead of you, in case we  
are beaten.

This is your war, and if you won't  
get in it you deserve to lose your  
American citizenship.

Call in at the bank tomorrow, and  
talk it over.

### Third Liberty Loan

By Celia Louise Crittenton

Seriously considered, with insight  
and understanding, the Third Liberty  
Loan means but one thing: stability.  
The unification of Government and  
people.

The much or little which the peo-  
ple place at the hands of the Govern-  
ment, proportionate to what they pos-  
sess, will have behind it not alone  
the voice of the people but as well  
the united will and force of the peo-  
ple against a war which threatens to  
engulf the whole national family.

We are being just to ourselves if  
we place our money where it is safe.  
And we are living up to the dictates  
of our national conscience, which also  
is our family conscience.

The most safe and reasonable in-  
vestment possible is with our Govern-  
ment. For the Government is but  
ourselves viewed through the magni-  
fying glass.

If we were born in the United  
States we love our birthplace. It is  
home. If we were allowed to adopt  
the United States that offered to us  
more than our oppressing birth-coun-  
try, offered to us more freedom, a  
wider scope, than through that adop-  
tion we have gained a privilege  
worthy of even greater devotion and  
love.

So, let us all be glad that a Third  
Liberty Loan is pending. It is a good  
sign that we trust ourselves, that we  
are ready depositors in the Protective  
Bank of Home.

"Keep the home fires burning" is  
no light slogan, lightly spoken. Only  
when the fire is quenched by a bomb  
dropped down through the home-  
chimney, can we fully realize how  
precious and prized is that cherished  
and cheerful flame.

We must not and shall not wait  
for that.  
The Third Liberty Bond awaits us  
and we are ready.

### YOUR DUTY AND WHY

"We are fighting this war for the  
next generation as well as this. We  
are dedicating the life blood of this  
nation that our children and our  
children's children MAY ENJOY THE  
BLESSINGS OF LIBERTY—OTHERS  
IN THIS COUNTRY WILL GIVE  
THEIR BLOOD: YOU GIVE YOUR  
MONEY."

## THE WAR, THE FARM AND THE FARMER

By Herbert Quick  
Member Federal Farm Loan Board

The farms of this country could  
carry the war to a victorious con-  
clusion even if all the rest of the na-  
tions should quit. The rest will not  
quit; but we could win it without  
them if we had to do it. The farmers  
of the United States can whip Ger-  
many. We can whip them with guns.  
We can whip them with our money.  
We can whip them with our products.

Every farmer in the United States  
must remember that the war has a  
first mortgage on every cent he has.  
The last spare cent in the pockets of  
every farmer in America should be  
devoted to the war.

The Kaiser began foreclosing his  
mortgage on our farms when he de-  
clared ruthless submarine warfare.  
The war is our answer to his bill of  
foreclosure.

Our contribution is, first, our sons  
and brothers for the trenches; sec-  
ond, the last pound of food products  
which we can grow by mobilizing our  
scanty labor supply, utilizing the men,  
women and children and the town-  
people about us; and third, money  
for Liberty Bonds.

This is the crucial year of the war.  
Our soldiers are at the front, hun-  
dreds of thousands of them in the  
trenches, and a million more ready to  
go. The whole heaven of carrying on  
our own part in the war, and of rid-  
ing our sister nations in arms, rests  
on the United States Treasury.

If the treasury fails or falters or  
finds itself unable to respond to every  
call upon it, the war is lost. Do you  
realize that?

Your son, and all the nation's sons  
are relying on the United States  
Treasury to furnish things with which  
they may fight.

Their lives are lost if the treasury  
fails. Our country is lost if the treas-  
ury fails.

Germany wins if the treasury fails.  
Therefore every cent you can take  
and scrape together belongs to the  
treasury, that our soldiers may com-  
back to us alive and victorious. This  
is literally true. We can whip the  
Germans with our money, but not  
with the money to our pockets or  
bank accounts. It must go into the  
United States Treasury in subscrip-  
tions to Liberty Bonds.

## CORN WILL WIN DEMOCRACY'S WAR

America's Greatest Cereal Crop  
Is Now Moving to  
Market.

MAINSTAY IN NATION'S CRISIS.

Surplus Wheat of the United States  
Has Been Sent to Famine Threat-  
ened Europe.

America's great corn crop, exceed-  
ing 3,000,000,000 bushels, will save the  
world's food situation, officials of the  
United States food administration be-  
lieve.

Corn is the nation's best food cereal,  
housewives are beginning to realize.  
It contains all the elements needed to  
keep the body in a state of health and  
when used according to the scores of  
tried recipes, especially when com-  
bined with an added portion of oil or  
fat, will sustain life indefinitely. In-  
dian warriors in colonial days lived on  
 parched corn alone for many days at a  
time, and at Valley Forge parched  
corn was at times the sole ration of  
the Continental soldiers.

Owing to transportation difficulties  
caused by the war the corn crop moved  
more slowly to market this year than  
ever before. Now, however, the cereal  
is reaching the millers and consumers.  
In the meantime the nation's surplus  
wheat has been sent to Europe.

Today there are approximately 30  
bushels of corn for every American.  
This quantity is greater by five bush-  
els than in former years.

Corn has become the nation's main-  
stay in the crisis of war.

Just as this cereal saved the first  
American colonists from famine on  
many occasions, just as it served as a  
staple food during the War of the Revo-  
lution and during the Civil War, King  
Corn has again come to the front in  
the nation's battle with autocracy.

Corn meal is finding greatly increas-  
ed use in the making of ordinary white  
bread. Hundreds of housewives and  
many of the larger bakers are mixing  
20 per cent. corn meal with wheat  
flour to make leavened bread. This  
kind of a mixture is worked and baked  
in the same recipes and with the same  
methods that apply to straight wheat  
bread.

Corn bread—using corn meal entire-  
ly—is gaining a greater popularity  
than ever before. Housewives are  
coming to realize that every pound of  
wheat saved in America means a pound  
of wheat released for shipment to the  
nations with which America is associ-  
ated in the war.

There are a score of corn products  
that today possess unusual importance  
for Americans. Corn syrup for sweet-  
ening corn cakes and buckwheat cakes  
and for use in the kitchen instead of  
granulated sugar is one of the leading  
products made from corn.

Corn oil, excellent for frying and for  
every other purpose filled by salad oil,  
is appearing on the market in large  
quantities. It comes from the germ of  
the corn.

### MADE-IN-GERMANY LIES CIRCULATED IN CANADA

Canada is also having trouble with  
Made-in-Germany lies calculated to  
hinder Canadian food conservation ac-  
cording to an official statement re-  
ceived from the Canadian food con-  
troller by the United States food ad-  
ministration.

The stories bothering Canada are  
of the same general character as those  
the United States food administra-  
tor recently denounced in this coun-  
try, such as the ridiculous salt and  
bluing famine fakes and the report  
that the government would seize  
housewives' stocks of home canned  
goods.

The Canadian food controller esti-  
mates that when the people listen to  
and pass on such stories, each one  
has the power of destruction that lies  
in a battalion of soldiers.

"Stories without even a vestige of  
foundation have been scattered broad-  
cast," said the Canadian statement.  
"Nor have they come to life casually.  
They have started simultaneously in  
different parts of the country and in  
each instance have been calculated to  
arouse public indignation."

"They are insidious, subtle, perstat-  
ent. Hit by bit they dissipate public  
trust, the great essential in the work  
of food control."

"It lies with every individual to for-  
bear from criticism; to refrain from  
passing on the vagrant and harmful  
story, and thus the more effectively  
to co-operate in work which is going  
to mean more than the majority of  
people yet realize."

### THE UNITED STATES FOOD ADMINISTRATION SAYS:

There is no royal road to food  
conservation. We can only ac-  
complish this by the voluntary  
action of our whole people, each  
element in proportion to its means.  
It is a matter of equality of bur-  
den; a matter of minute saving  
and substitution at every point in  
the 20,000,000 kitchens, on the 20,  
000,000 dinner tables, and in the  
2,000,000 manufacturing, whole-  
sale and retail establishments of  
the country.

## Why is Oregon's self appointed boss afraid of Stanfield?

Believing that the Republican voters of the state of Oregon would  
not look with favor upon Oswald West naming the Senatorial candidate  
for the Republican party.

++++

And inasmuch as I have received many thousands of letters and  
other assurances from the Republican voters assuring me of their support,  
I must respectfully decline the proposal of Mr. West that all other can-  
didates withdraw and give a clear field to C. L. McNary.

++++

I feel that I have the confidence of the Republican voters and the  
people of this great state that I will serve them honestly and efficiently  
as a Senator and at this critical time they are inclined to support a man  
from the business walks of life.

++++

Oswald West has heretofore asserted that he only desired to be a  
candidate that he might oppose me if I should be successful in defeating  
McNary in the primaries.

++++

His interference is intolerable to me, as I believe it is to the Re-  
publican voters of the state, and I will welcome the opportunity to op-  
pose him in the general election if he should be successful in defeating  
his Democratic opponent, Mr. King.

R. N. STANFIELD.

++++

Mr. Stanfield makes the above reply to the proposal of Oswald West  
that all candidates for senator withdraw in favor of Mr. West's candidate.  
The whole activity of the Democratic machine in attempting to stem the  
tide of dissatisfaction against their candidate now in the senate is laid  
bare in this last supreme attempt of Mr. West to bolster up a forlorn  
hope.

++++

The question is do the people and the Republicans want this sort of  
bossism in Oregon, or do they want 100 per cent American and 100 per  
cent Republicans such as Mr. Stanfield, a successful, energetic, patriotic,  
self-made man whose every act has added to the progress and growth of  
Oregon, a man who gets result, accomplishes something, who has worked  
and knows how to work, and who will work.

++++

Stanfield is 100 per cent American and 100 per cent Republican and  
he would support the President in winning this war.

Which do you want? A man who can stand on his own feet, or  
one who cannot?

"A GOOD MAN TO WORK FOR IS A GOOD MAN TO VOTE FOR"  
A SLOGAN chosen by the many L. J. SIMPSON  
men who have Worked for

"Your Kind of a Man for Governor"  
The highest possible endorsement. The most rigid test that  
his policies, practiced over a period of twenty years, are  
SOUND, JUST and EFFICIENT.  
THE BEST POSSIBLE PROOF that his pledges to the citizens  
of Oregon are not mere "words," but "WORDS BACKED BY  
WORKS."  
Those who know him believe in him, believe in his ABILITY,  
believe in his POLICIES. They know he will give Oregon a  
CLEAN, IMPARTIAL, BUSINESSLIKE administration.  
They know it to be true, ABSOLUTELY.

WHY?  
Because—  
In nineteen years he has employed 21,000 men.  
He has always paid good wages.  
He NEVER had a strike or a personal injury suit.  
He built many "homes on time," NEVER foreclosed a mor-  
tage or sued on a promissory note.  
He helped many laboring men to acquire their homes, their  
business and their livelihood.  
These workers, who know him best, have endorsed him to a  
man, have adopted the above slogan and that's "WHY" he is  
"Your kind of a man for Governor."
