That St. Johns will be represented in the next Legislature by two members is now practically a foregone conclusion. D. C. Lewis, one of the best campaigners in Portland, will no doubt be nominated and elected, and Frank A. Rice, President and Cashier of the East St. Johns Bank, will also win the race with ease from present outlook. Our people should be alive to the opportunity of securing two representatives. There will no doubt be matters that will come before the Legislature of more or less importance to the Peninsula, and with two representatives it would be certain that this district would in nowise be neglected.
