

This Review is entered at post office in Portland, Oregon, as mail matter of the second class under the Act of Congress of March 3, 1879.

There is one candidate in particular seeking the nomination for County Commissioner who should not be forgotten, and that is Philo Holbrook. He is at present a member of the County Commissioner Board, and has made a record that is pleasing to the taxpayers. Mr. Holbrook is a man who believes in quietly and carefully and faithfully attending to the duties of his office in an economical and practical manner. He is not the kind that delight in getting out on the house tops and shouting the fact when he has performed a commendable duty, and the limelight has no attraction to him. He believes in letting his good works speak for themselves. As one studies and weighs his actions as a County Commissioner he can scarce help but conclude that Mr. Holbrook has made a good and faithful public servant. He probably has made some mistakes—he would not be human were it not so—but it is through mistakes that one gains memorable experience, and having gained such he will not make them again, as a new untrained man would all probability do. Mr. Holbrook has shown a disposition to favor this part of the county in the way of public improvements, which is more than can be said of some men who have served as Commissioners. And so having a man like Mr. Holbrook at the head of county affairs, why not keep him there? Corporations make a success of business because they take pains to retain their employees who have made good, and why should not such be the case in political life? Re-elect Holbrook and the interests of the taxpayers will be safeguarded.

Mrs. Frank Barnes entertained the ladies of the Debonair club in a very pleasant manner at her home in Alameda on Thursday afternoon last. A dainty lunch was served at noon. After lunch the guests repaired to the ballroom where a thorough good time was enjoyed. Mrs. Barnes' daughter, Mrs. Colinson and Mrs. Allen, assisted their mother in entertaining. Mrs. Barnes' home is very lovely indeed and they are justly proud of it. It is built of stucco and steel and contains eighteen rooms. It was designed throughout by an artist and is indeed a work of art. A very pleasant afternoon was spent by those present.—Reported.

That D. C. Lewis and Frank A. Rice, both of St. Johns, will be elected for the Legislature by big majorities is practically assured. Voters should not overlook them in casting their ballots.

Vote X 47 J. B. Schaefer, Water Superintendent Division No. 1. You will make no mistake by voting for him. His well known recognized qualifications and integrity are a guarantee for efficiency and economy in the office to which he aspires. He has proven himself one hundred per cent American in daily deeds. He is a tried, true friend, and able champion of labor, not only in words, but in recorded deeds. He is the only candidate for this position from Portland and Multnomah County and being a progressive citizen who has borne and received many distinguished honors in private and public life in this City. He is certainly entitled to your undivided and loyal support.—By A. L. Treber, 423 Bristol street, St. Johns Oregon. paid adv.

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running ear or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hays' Catarrh Cure. Send for circulars free.
