Local News

J. Kemp is making repairs to residence on Banks street.

Mrs. Soule has all kinds of vacant lots for sale on easy terms.

C. F. Cook is erecting a small dwelling at Tioga and Banks street.

Geo. Muhm is able to be about again after a severe siege of pneumonia.

Mrs. M. Donlin is having repairs made to residence at 529 Mohawk street.

A. W. Anderson has taken out a permit for a small residence at 714 Edison street.

B. C. Thompson has secured permits to repair residence and construct a garage at 827 N. Edison street.

A. W. Lafferty announces that he will be an independent candidate for Congress at the November election.

The Grant Smith-Porter Ship company is erecting a two story office and hospital building at the foot of Fessenden street at a cost of \$6000.

E. W. Angell, formerly of St. Johns, but for some time in the government service with headquarters at Fall Bridge, Wash., is spending a couple of days in St. Johns.

John Mobely and family have returned from Ocean Falls, B. C. where Mr. Mobely has been in the employ of the Crown Willamette Paper Co. He will now be employed in one of the local shipyards.

According to government announcement, freight rates will take on a substantial increase June 25th, and the passenger rates will be increased to three cents per mile on June 10th. The government justifies this action through increased cost of operation.

The infant son of Mr. and Mrs. George Calley died at 973 Yale Wednesday, the funeral services being held today at the chapel of the St. Johns Undertaking Co. The little one was aged five months and 23 days.

Shipbuilders from every yard in Portland plan to have a big series of ship launchings on occasion of coming visit to Portland of Charles M. Schwab, who now heads National shipbuilding programme. This ought to wake up east as to what Oregon can do in shipbuilding.

Extreme cost of operation and lack of business in the Willamette Valley territory between Portland and Corvallis has compelled the Oregon City Transportation Company to retire its steamers from the route where they have been operating since 1886. This ends the steamboat service on the Upper Willamette.

W. H. Farley, of National Cash Register Co. says: "More people can be reached oftener and at less expense by newspaper advertising than by any other medium. Don't spend just a few dollars for advertising and then say that advertising does not pay. Make advertising a consistent policy."

The Mother's meeting of the W. C. T. U. will be held at the home of Mrs. J. C. Scott, 102 Central avenue, next Monday afternoon at two o'clock. Mrs. Mattie Sleeth, the county president, will be down to talk to us and is sure to be interesting. There will also be other interesting numbers on the program.—Reported.

It is estimated that if the prisoners of war marched down the main street of this city, four abreast, it would take more than thirty days for the procession to pass a given point. The Y. M. C. A. is making an effort to reach these men and provide them with recreation, entertainment and spiritual encouragement in their solitude.

Our terms on Victrolas liberal. Currin Says So.

H. D. Beam is erecting a garage on Alta street near Jersey.
