In the War Savings Stamps
Campaign, generous St. Johns,
as usual, did the Patriotic thing
in subscribing over two hundred
and sixty thousand dollars.
Commissioner A. A. Muck, who
was Colonel of St. Johns division,
celebrated the victory by invit-
ing Capt. A. P. Layton and
Solicitor J. E. Irvine and their
wives to an auto trip in which
they inspected the County
Institutions, including the Ranch
for boys, the County Hospital
and the well kept County Farm,
where they dined with the very
courteous and capable staff of
management of the last named
institution. The visitors were
greatly impressed with the evi-
dent competency of those who
have the care of these institu-
tions. Mr. Sommers at the head
of the Boys' Ranch is surely the
right man in the right place, so
of all the others. A drive over
our wondrous Highway to Mult-
nomah Falls made the day and
joy complete. — Reported.

A number of friends and rela-
tives met at the home of Mr.
and Mrs. R. D. Powell last Sat-
urday evening to celebrate their
fifth, or wooden wedding anni-
versary. The house was decor-
ated for the occasion with flow-
ers of all kinds, some in wooden
vases. The first part of the
evening was devoted to games,
which were enjoyed by all. In
one guessing game the first
prize, a brush set, was won by
Mr. C. E. Throne of Portland
and the funny prize, a box of A
B C blocks, was won by his
wife. The music of the evening
was furnished by little Janet
Powell, which was a surprise,
but greatly enjoyed. Late in
the evening refreshments were
served, which consisted of ice
cream and cake, served in wood-
en dishes with wooden spoons
and at each end of the table
was a large wooden bowl filled
with a variety of fruit. Mark-
ing each place was a clothes pin
to which was tied a card and
red white and blue ribbon. The
bride and groom received several
useful presents and wishes for
many more "five years" of hap-
piness together.

Have you given up your job
and let your business future take
care of itself? Have you said
good-bye to your family and
friends and all you hold dear?
Have you begun an entirely new
career that may end, if you live,
with health impaired, an arm
off, a leg gone, an eye out?
Have you given up your busi-
ness future and said good-bye
and taken a chance on coming
back a live and well and done it
with a cheerful heart and with
a grim determination to do all
you possibly can for your coun-
try? And do you only at
times—in the evenings, perhaps,
when the light in the sky slowly
fades away—feel so homesick
and so lonesome that you are
fearful you will not have the
courage to do your part after all?
You have not done these things?
Ah, I see, you are not one of our
Army or Navy boys; you are a
stay-at-home person. Well,
there have to be 20 or more
stay-at-home persons for every
one who goes, and so certainly
no disgrace attaches to being
one if you fully appreciate what
those boys who do go have to
give up and if you support them
to the limit of your ability. — War
Savings Committee.

A service flag bearing seven-
teen stars, one of which is gold,
was presented to the Baptist
Church by the Sunday School at
Patriotic Service. Those on the
honor roll represented by the
stars are: Dean Knowles, Clar-
ence Knowles, Frank Knowles,
Earl Knowles, Harry Simmons,
Kenneth Simmons, Thornton
Toole, Elmer Maples, Walter
Maher, Wayne Kelly, George
Downing, Frank Bugbee, Theo-
dore Bugbee, Marne Donaldson,
Allen Rutherford, Claude Bush-
or, Chester DeLoach, represent-
ed by the gold star, having died
of pneumonia before reaching
the front.

The service next Sunday will
be especially attractive. The
choir, under the leadership of
Mrs. Burton, who is an accom-
plished musician, will render
some special music. Rev. Burton
will have a helpful message
to give. The subject will be
"National Glory."

The "weenie roast" at the
slough given by the R. Y. P. U.
was a very delightful occasion.
Every one present enjoyed them-
selves immensely.

Look for the Milk Bottle

One of the plans for raising
money to aid the little children
in Belgium is that of the milk
bottles placed at various points
in the city in which money is
deposited for the relief of the
little French and Belgian or-
phans. The plan is an unique
one and is meeting with surpris-
ing success. An organization
has been formed with Mayor
Baker chairman, Wm. Adams
treasurer and Hal M. White
secretary to aid in the relief
work. It is expected that many
citizens will join this organi-
zation. The membership fee
is but one dollar per year. In
order to give those so desiring
an opportunity to enlist and aid
in the great work, Miss Jones,
an earnest worker in the cause,
will be at the Peninsula Nation-
al Bank during noon hour and
also in the evening Saturday,
where she will take applications
and explain the work.

Gustav de Bretteville, origina-
tor of the milk bottle idea, and
Miss Jones were in St. Johns the
past week, where they placed
several of the bottles.

A Tragic Death

Charles E. Beebe of the
Mother's Home Restaurant,
located in the Peninsula Bank
building, met a tragic death
Wednesday morning last. He
was in the act of crossing
Burlington street at the St.
Johns hotel building when he
was run over by a motor truck
loaded with wood, which was
driven by H. A. Brewer and
owned by the Union Fuel Co.
It is said that no blame is at-
tached to the driver, as the accident
was unavoidable on his part.
Mr. Beebe was aged about 70
years and was well liked by all
who knew him.

As we learn the circumstances,
it seems that Mr. Beebe, whose
hearing was somewhat defective,
was passing an auto which was
standing near the side of the
street, and stepped in front of
the fuel machine, which had just
come up the hill and was travel-
ing at a moderate rate of speed.
The unfortunate man was thrown
down and one wheel passed over
his body, and he expired within
a few minutes.

The Portland Garbage Co.
is prepared to remove rubbish
of any nature from the resi-
dences and business places of
St. Johns at 75 cents per month
for residences and from busi-
ness places at reasonable rates.
Calls made every Saturday.

Base Ball Notes

The local ball team lost out
to Cornfoot at the St. Johns
grounds June 30th by a score of
8 to 0. Barham started the game
for the locals, but he was not in
good form, the eight runs be-
ing scored in the three innings
he pitched. The poor support he
received was responsible for
some of the runs. Hennig, who
succeeded him, pitched superbly,
and he finished the game with-
out yielding a run. The locals
presented a badly patched up
team. De Cuman, second catch-
er, was behind the bat. Hogan,
a substitute, was at first base
instead of Blanchard; Pritchard,
the clever little second-sacker,
is now in Camp Lewis, having
been drafted into the country's
service. "Keek" Blanchard
was on short instead of Bill
Baird, who left the Smith-Porter
yards to work on the railroads;
Hargrave, the third-sacker, had
to work Sunday afternoon, and
Primley, center field, did not
appear in uniform. Eddie Yates
himself was forced to don a
uniform and played second base;
Shay had a badly sprained
finger, played third.

Supple-Ballin defeated the
Columbia River team by a score
of 11 to 4, in the game preced-
ing that of Cornfoot and Grant
Smith-Porter.

The game on the local grounds
July 7th will be between the
Columbia River team and the
locals, the game being sched-
uled for 3 p. m.

The foremen of the North
Ways defeated the South Ways
Saturday afternoon by a score of
11 to 4. The features of the
game was the pitching of Harris
and the playing and batting of
Pettit of the North Ways.

The local team was defeated
by the Supple-Ballin club on Ju-
ly 4th by the score of 4 to 2.
The game was played on the lo-
cal grounds. Weakness at the
bat was the cause of our down-
fall.

E. Ellis Gaylord of Tacoma is
here in the interests of a little
publication which is called the
Key to Steel and Wood Ship-
building. Contained in this lit-
tle book are many items of in-
terest to the man who works in
the shipyards, giving everything
in detail concerning the build-
ing of ships up to the deck
house. Mr. Gaylord has letters
of introduction and commendation
from William Piggott, in-
spector for the 8th district which
embraces all of Washington.
Mr. Ellis will have on display
in the window of the St. Johns
Hardware Company, a sectional
model of the Ferris Type ship
and will be on hand to show and
explain the many parts. Think-
ing and knowing beyond your
job will raise your pay check.
"The Key to Shipbuilding" will
